

Speaker's Bureau/Community Outreach Liaison

Flexible; Countywide

About STAND!

STAND! For Families Free of Violence is a multicultural organization that recognizes the devastating impact family violence has on children. We lead the community in building safe and strong families through early detection, enhanced supportive services, community prevention and education, and by empowering victims to rebuild their lives. Read more about our mission-driven agency at www.standffov.org.

Our volunteers help our organization run - they staff our 24 hour Crisis Line, provide child care while parents are in support groups, make presentations in the community, and help with the day-to-day operations. Our philosophy is that volunteers are powerful agents of change from the community who are choosing to partner with us in order to break the multi-generational cycle of violence.

Because we hold high standards for the services and programs we provide to our clients, both staff and volunteers must go through our mandated training. You will graduate from the training with the skills and tools you need in order to be an effective peer counselor and advocate to end domestic violence in our community. You will also receive Mandated Reporter training, HIPPA training, and public speaking training.

About the Speaker's Bureau/Community Outreach Liaison

Speaker's Bureau is a program completely run by volunteers! You become an expert in STAND! programs and services, and learn how to talk to the community about dynamics of Family Violence. Once you go through the training, you will be the STAND! representative at community events, community centers, religious groups, schools, and partner agencies in the County. You will be trained to make presentations, spread information, and advocate for others. You will also become a Liaison in the community and identify new partnerships and recruit more volunteers to join the cause.
