

LIFE GROUPS

HIGH SCHOOL STUDENTS:

Life is meant to be lived with Christ at the center. Keeping Him at the core influences our attitudes, thoughts and actions. When we depend on God this can be accomplished BUT God did not mean for us to do it alone. He gives us friends and mentors who are ready to encourage, challenge and support us as we walk through life together. In a LIFE GROUP you will find those friends

How does this happen?

FOUR EASY STEPS:

- 1) Sign up in the Youth Room, email, text or call
- 2) A great leader will be assigned to your group
- 3) Find a regular time and place to meet
- 4) Begin!
