

ACMI Conference 2019

Transportation Details

Registration for Global Campus 2019 will be at Wycliffe College (5 Hoskin Avenue, Toronto Ontario, M5S 2W2)

Toronto has two airports:

1. Billy Bishop Airport (2 Eireann Quay, Toronto, ON M5V 1A1)
2. Pearson International Airport (6301 Silver Dart Dr, Mississauga, ON L5P 1B2)

Pearson is designated with the code YYZ and Billy Bishop with the code YTZ. Most travel will arrive at Pearson as Billy Bishop is much smaller. Both airports are almost equidistant from Wycliffe College at the University of Toronto.

Travel in Toronto:

The public transit system in Toronto will be an economical and efficient way to travel during your stay. You can explore the Toronto Transit Commission (TTC) here: <http://ttc.ca/>

Museum Subway Station is a short walk from Wycliffe College and we hope to have some volunteers to assist you with your luggage.

BILLY BISHOP: You can get on the 509 TTC streetcar at Billy Bishop which will take you to Union Station. From there you get on the subway on Line 1. This trip should take a total of 35 minutes or less.

PEARSON INTERNATIONAL: You can use the UP Express train for service to Union Station. Purchase your ticket at the Airport (there are be marked signs) and check out the website here for more information: <https://www.upexpress.com/> Once you reach Union you get on the subway on Line 1. The UP Express leaves Pearson every 15 minutes and the trip takes about 25 to Union and then the subway up is around 5 minutes. There is also an option to take the TTC directly from Pearson (about a 75 minute trip).

FAQ: Toronto does operate Uber and Lyft ridesharing services. Parking is notoriously expensive in Toronto and we are unable to provide parking at the University of Toronto. All the residences we will be staying in will be at the University of Toronto at various colleges. Maps, directions and instructions will be available when you arrive.
