Starting point of journey and start time:

End point of journey and end time:

Any additional information you would like us to know?

**OUR COSTS and other info:**

Each cab and rider used is charged at £50 per hour with a minimum charge of 1 hour (£50) and pro rata charges for each further 15 minutes. We accept cash or cheque (payable to Hereford Pedicabs Ltd.) All payments are non refundable as we will have to commit our bikes and book our riders for your booking. Payments expected on booking of Pedicabs. We suggest contacting us first to check if the date you want to book is available.

If the booking is out of Hereford and we are required to transport the Pedicab or cabs to or from the start and finish points we will charge for the time and also the fuel. Time for travelling is charged at £50 per hour on a pro rata basis i.e 15 minutes would cost £12.50, fuel is charged at £0.40 per mile. If you are unsure as to how long journeys will be send the form to us and we'll work out how much it will all cost.

Our bikes and riders are licensed, regulated and insured. Our operation is governed by the Herefordshire Council Taxi Licensing Department. All riders are licensed taxi drivers with a current CRB check.
