Hereford Pedicargo Trade Waste Recycling Scheme

In Hereford it's really hard to recycle trade waste, in fact a lot of trade waste goes to landfill.

If you are a business close to town we can offer the following solution:

Recycling of waste paper - £1 per 16kg bag (supplied by Hereford Pedicargo)

Shredding and recycling - £1 per 16kg bag (supplied by Hereford Pedicargo)

Recycling of cardboard and newspaper - £5 per cage/pro rata on bundle

Recycling of plastics - £1 per bag (supplied by Hereford Pedicargo)

Free recycling of ink cartridges if you are using our recycling schemes

Orange Council waste bags cost £1.25 each, go to landfill and are set to rise in price, we are cheaper for your business and better for the environment.

What can I Shred?

Everything that can be classed as paper for recycling.

How does the Shredding get collected?

We deliver paper sacks, we pick them up weekly or ad hoc and charge you monthly. Bags for shredding are collected and transported to our depot where they are secured into a container which is then transported to our 3rd party shredding client. Bags are shredded under cctv surveillance, the shredded waste is sent to British paper mills for pulping before being turned into more paper.

Are we close enough to town to use your scheme?

Have a look at this [MAP](#)

What about the legal waste ownership stuff?

We are registered with the Environment Agency, we supply companies with Waste Transfer Notes so we can transport and send their waste to be processed.
