## DESIGN EXPERIENCE

**Adidas 3D Apparel Designer** | Portland, OR | April 2018 - March 2021

During my time at Adidas, under the creative direction team, I worked cross functionally with categories such as special collaborations, skate and men's originals. I worked hand-in-hand with design and development to expand upon existing franchises and bring new concepts, materials and silhouettes to life using 3D tools, namely Clo3D.

**New Balance Lifestyle Apparel Designer** | Boston, MA | October 2017 - April 2018

Updated and revised tech packs and fashion flats for S/S + A/W '18-'19 collection.

**Reebok Innovation Apparel Designer** | Boston, MA | May 2016 - September 2017

Worked with the lead innovation designer in the creation of Reebok's major FW18 apparel innovation. Created internal presentations for design reviews and photo real renders for external reviews.

**Art2Wear Designer** | NCSU, Raleigh, NC | Fall 2015 - Spring 2016

Designed and constructed 7 piece women's clothing collection centralized around the scale of a single print. All prints are digitally rendered originals and fabrics are hand embellished + manipulated.
