SUMMIT ANIMAL RESCUE ASSOCIATION, INC. (SARA, Inc) is a non-profit organization with locations in North and Central New Jersey. Our mission is to rescue cats, or any animal in need, give them medical attention, rehabilitate them, and provide a temporary, loving environment until we find a permanent home through adoption. In addition, we have hands-on volunteers who help NJ residents spay and neuter feral cats in order to reduce the number of unwanted kittens in shelters. SARA has a proven track record for saving lives; through our tireless efforts we have found homes for over 500 animals per year since we began over 12 years ago. Our entire staff is made up of volunteers; we work with veterinarians who give us discounted rates and no money is spent on advertising, so 100% of all donations go directly to the care and feeding of the animals we save. If you would like more information about SARA, please visit our website at www.sararescue.petfinder.com.
