

Happy New Year Everyone!

Hoping that you all had a joyful holiday season. We are really looking forward to another outstanding year and are excited to share all our wines and upcoming events with you!

We have three very special wines in our winter shipment to welcome in 2017.

The first wine is our **Thérèse Vineyards 2010 Nebbiolo - Santa Clara Valley / Dos Niñas Vineyard**. Harvested at Dos Niñas Vineyard located in the Santa Clara Valley, owned and managed by our growing partner Simone Limas. This Nebbiolo explodes with flavor. Our recommendation is to open and allow time for the wine to breath before enjoying, so you can experience all of the taste nuances on the palate this wine has to offer.

The second wine is our **Thérèse Vineyards 2013 Syrah - Santa Cruz Mountains / Lester Family Vineyards**. This wine has become an all-time legend for anyone who loves a rosemary roasted leg of lamb. The white pepper spice, notes of blueberry and violet, along with the earthy undertones give this wine, and the leg of lamb a perfect marriage. But really, this full bodied Syrah also pairs with any beautiful roasted meat. Or as a vegetarian you can enjoy this with a huge mixed green salad with dark berry types of dried fruits

The third wine in this shipment is our **Thérèse Vineyards 2014 Carignane - Santa Clara Valley / Victoria Denice Vineyards**. This is a medium bodied wine from 135+ year old vines. A great complement to rich vegetarian lasagna and plenty of other great Italian dishes.

Looking towards 2017, Martin Ranch Winery is planning a number of fun events that we hope you (our wine club members) can enjoy with us.

We look forward to seeing you at the Winery,

Thérèse and Dan Martin along with all of the Martin Ranch Winery Team
