Happy Summer!

It's that wonderful time of the year again. Summer is here, which means the long days and warm summer nights are going to be filled with friends and family, and as always, our favorite glasses of wine.

Our 2017 Summer Shipment promises to have a few of your favorites, which can be paired with many of your best-loved summer recipes, or saved in your cellar for the future. We selected these three wines with some of our own summer traditions in mind, and hope you enjoy them as much as we do.

Now, before summer is in full swing, we'd like to take a moment to thank you for your continued support of Martin Ranch Winery. To show our gratitude for your continued patronage, we'd love for you to join us for our **Harvest Celebration** as an extended member of our Martin Ranch Family.

Take a look at some of the details below, and be on the lookout for more information via email. As always, you can stay up to date with all things Martin Ranch Winery on Facebook, including this year's Harvest Meal and fabulous Dessert Competition. We're very excited about this year's celebration, and hope you will join us at our table as we toast the 2017 Harvest.

Cheers,

Therèse and Dan Martin,

and the rest of your Martin Ranch Winery family

2017 Summer Wine Club Shipment

Therèse Vineyards 2014 Syrah Santa Clara Valley / Dos Niñas Vineyard

This wine exhibits classic Syrah characteristics, with a bouquet of blackcurrant and a hint of anise. The palate shows pepper, cinnamon, and truffle, with a finish kissed by tannins and clove and was aged 28 months in 50% new and 50% neutral French and American oak. This wine is rich and full-bodied, earthy, smoky, luscious and fruity and pairs nicely with lamb or pork. Enjoy now and for the next several years. *349 case production* \$29

Therèse Vineyards 2014 Pinot Noir Santa Cruz Mountains / Lester Family Vineyards

From the Pacific slopes of the Santa Cruz Mountains, Lester Family Vineyards produces stellar quality Pinot Noir grapes. This wine's glowing garnet color shows-off a real gem. Its bright raspberry spice up front moves into a silky vanilla middle palate with a seductive, lingering oak tannin finish. This wine has great aging potential, and best paired with barbecued salmon. *172 case production* \$47

Therèse Vineyards 2013 Cabernet Franc Santa Clara Valley / Dos Niñas Vineyard

Our Cabernet Franc showcases raspberry right up front with just a hint of violet. Transitioning into mid-palate, you'll discover just a tease of truffle, finishing with a lingering light kiss of oak. Aged in new and neutral french oak, this wine can be enjoyed now, but will also lay down nicely for a number of years. We recommend opening a bottle now, and then re-visiting the wine again in another 6 months. This will allow the aging process to continue to develop the wine, adding even more complexity. Enjoy alongside braised short ribs or your favorite summer recipe. *150 case production* \$35
