

Cross-Registration Application Form

Instructions: Each course you'd like to schedule requires a separate form. Please fill out one form per course.

Important: A student dropping/withdrawing from a cross-registration course must notify the registrar of their host school and home institution in writing. Failure to do so may result in a failing grade on the student's record. The amount of credit awarded for cross-registration is decided by the home institution. Cross-registration students are required to follow all policies of their host institution.
