

San Diego VeloYouth, the only values-based cycling program in San Diego County that serves at-risk kids, needs your support. By infusing goal-setting, cycling and daily achievement, the program proves that "STARS Create Possibilities" where Self-Respect, Teamwork, Achievement and Responsibility are the keys to Success. We are successful, and with your help, we will keep the momentum alive for the youngsters we serve.

With every VeloYouth session, we look toward a finish line - finishing a bike race, completing a program, delivering earned bikes - and we know that we reach those finish lines because of you. Your contribution purchases bikes and helmets and shorts; there would be no program for the kids to finish without your help. That is where your money goes. It helps us to reach the finish line so that another young teen has an opportunity to change their path. Their finish line is just the beginning of a whole new race.

Our program is growing and changing and our goal this year is to raise \$135,000 to keep up with the demand. We have a new finish line in our future. You can help us get there and support the goal... *teaching values one lap at a time.*

"I will use these skills the rest of my life, mostly self-respect..."

Thank you from all of us at San Diego VeloYouth,

Tanya Landry  
President & Founder

San Diego VeloYouth is a program from Quality of Life Connections, a 501c3 non-profit corporation (TIN 20-5173974). Your gift is tax-deductible.
