11. What did you like about this class:

This is one of the best courses I have taken at Peace.

The professor's style of teaching and ease of translation to class.

Everything. Dr. Mehr was hands down the best teacher I've ever had. I learned a great deal.

Learned skills I will actually use, Ian Mehr has many talents to pass on!

He made it an interesting topic.

I loved it! I learned so much and he always kept me thinking.

Professor's expertise and passion on material.

Awesome instructor! Very knowledgeable and willing to help.

The class was excellent in what I learned to help toward my career goals. Mr. Ian did an awesome job in making sure that I wasn't left behind with any information not understood.

12. Is there anything the instructor could do to improve the course?

Nothing, it was great!

No. The instructor is awesome.

Nothing. There's not a single thing I would do to change this course. He knew more about the subject and was very passionate. Best teacher I have ever had.

Not a thing.

Nope! Just come back and teach more!

No, on target.

Nope. I loved his method of teaching.
