

As of October 1, 2015 you must add a 3% processing fee to any payment made through PaySimple when using a credit or debit card. The Chapel Hill Day Care Center Board of Directors who are responsible for all center fiduciary decisions made at the center, unanimously voted to assess this fee to all credit and debit card payments to help offset the fees charged to the center for processing credit and debit cards. Credit card companies charge a fee every time a card is used. In an effort to control costs the board is requiring the fee to be the responsibility of the card owner. To avoid paying this fee you may opt to pay online using the ACH (e-check) option to have your payment drafted directly from your bank account. Thank you for your cooperation.

Ex: Monthly fee x .03 (3%) = Fee to be added to your payment

Fee for infants if using debit or credit card:

$\$1620 \times .03 = \48.60 . You would pay $\$1668.60$
