For Immediate Release

STATEMENT TO PRESS AND MEDIA ON BEHALF OF CATRIN FINCH

Harpist Catrin Finch has confirmed that she is undergoing treatment for recently diagnosed Grade 3 breast cancer. Her condition is treatable and has been detected early on. Catrin is under the care of the excellent NHS team at Velindre Cancer Centre, Cardiff, who are currently supporting her through her treatment.

Catrin has a busy year ahead and she is determined to fulfil as many of her engagements as her treatment will safely allow. In light of this she has taken the decision to postpone her overseas engagements for the next few months, however the majority of her commitments in the UK remain unchanged at this stage. Her work is very important to her and will be a significant focus for her during this time.

Catrin is in good spirits. She is a fit, courageous young woman and she knows that there are many others out there who will identify with her situation. She has a very tight team around her and her well-being is absolutely paramount to us.

We ask that the privacy of Catrin and her family is respected at this time.

I'w ryddhau ar unwaith

DATGANIAD I'R WASG AR RAN CATRIN FINCH

Mae'r delynores Catrin Finch wedi cadarnhau ei bod yn cael triniaeth ar gyfer canser y fron Gradd 3 a gafodd ei ddiagnosisio'n ddiweddar. Gellir trin ei chyflwr ac mae wedi ei ddarganfod yn gynnar. Mae Catrin o dan ofal tîm rhagorol y GIG yng Nghanolfan Ganser Felindre, Caerdydd, sydd ar hyn o bryd yn ei chefnogi ar hyd ei thriniaeth.

Mae gan Catrin flwyddyn brysur o'i blaen ac mae'n benderfynol o gyflawni cymaint o'i hymrwymiaidau a fydd ei thriniaeth yn caniatáu. Yng ngoleuni hyn, mae wedi cymryd y penderfyniad i ohirio ei hymrwymiaidau tramor yn ystod y misoedd canlynol, fodd bynnag, ni fydd y rhan fwyaf o'i hymrwymiaidau yn y DU yn newid ar hyn o bryd. Mae ei gwaith yn bwysig iawn iddi a bydd yn ffocws sylweddol iddi yn ystod y cyfnod hwn.

Mae Catrin mewn hwyliau da. Mae'n fenyw ifanc, heini a dewr ac mae'n gwybod y bydd llawer o bobl eraill yn medru uniaethu â'i sefyllfa. Mae ganddi dîm agos iawn o'i chwmpas ac mae ei lles yn hollbwysig i ni.

Gofynnwn fod preifatrwydd Catrin a'i theulu yn cael ei barchu ar yr adeg hon.
