

### ALX- Time to Learn

Monday, November 21<sup>st</sup>: Leaf party at the playground!

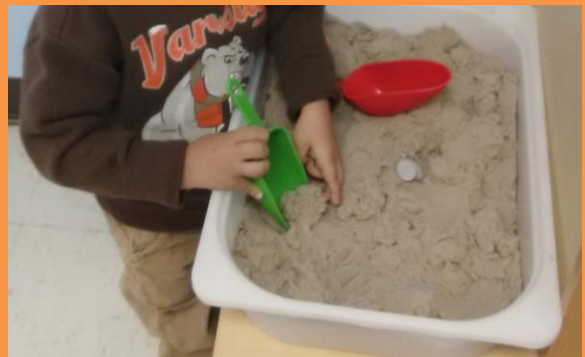

The children made corn today, it's fall and they learned about the harvest season.

### DC - Ready to Learn

Monday, November 21<sup>st</sup>: Kinetic sand is so much fun!

Watch those fine motor skills grow!

Aftercare: Let's explore. It's amazing what we can see when we look closely.

### ALX- Time to Learn

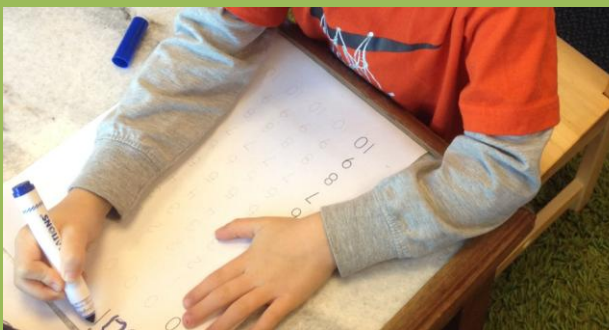

Some of our older friends volunteered to clean the tables after we finished our craft activity.

Tuesday, November 22<sup>nd</sup>: Our friend is hanging his coat up all by himself!

Our friend is practicing writing numbers 0-10.

### DC - Ready to Learn

Super Soccer starts Monday!

Tuesday, November 22<sup>nd</sup>: Our friends are working on train tracks and our other friends are working with kinetic sand.

Our friend is working on making patterns!

**ALX- Time to Learn**

Even Ms. Mery is working hard preparing crafts for our fall celebration!

Our friend is really focused on her drawing!

Our friend is transferring acorns from one container to another using a spoon.

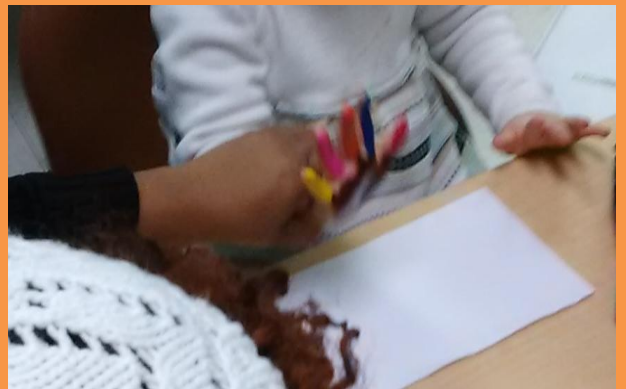

**DC - Ready to Learn**

Our friend is cleaning the wall after writing on the wall with a crayon.

In celebration of the upcoming Thanksgiving Holiday we created keepsake turkeys using our handprints in aftercare.

ALX- Time to Learn

Aftercare: The children had Melody Makers with Ms. Helen !

The children enjoyed making turkeys using outside Nature.

They also practiced for their Pot Luck performance!
