

#### Number of contacts, grouped by month and contact type

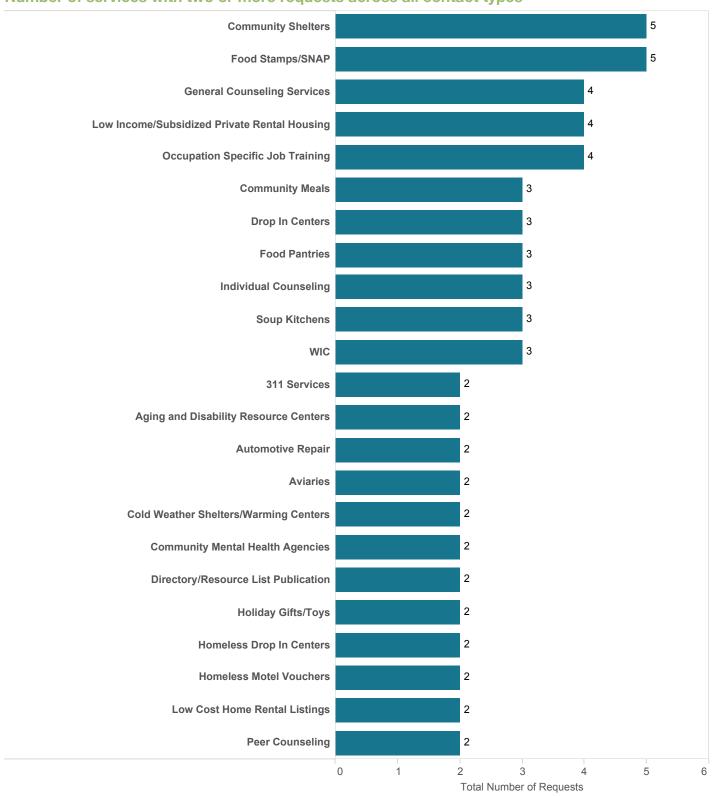

#### Number of services requested across all contact types, grouped by problem need

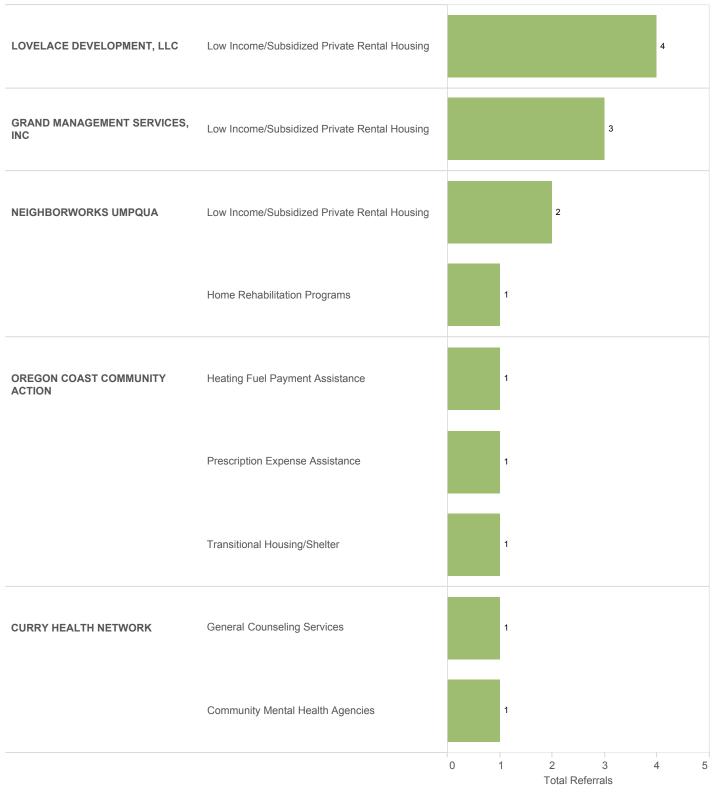

### Number of services with two or more requests across all contact types

### Top 5 agencies referred to across all contact types

There were six instances where there wasn't an appropriate referral for the contact's requested need. Individual, family, and community support requests represent the largest number of unmet community needs, while disaster service requests are the highest proportion of unmet community needs.

#### What are potential community gaps by need?

	Referral Given		Unfulfilled Referrals	
	Number of Requests	% of Requests	Number of Requests	% of Requests
Disaster Services			1	100%
Individual, Family and Community Support	3	50%	3	50%
Housing	9	82%	2	18%
Utility Assistance	1	100%		
Mental Health/Addictions	7	100%		
Health Care	4	100%		
Food/Meals	3	100%		
Information Services	3	100%		
Other Government/Economic Services	1	100%		
Grand Total	31	84%	6	16%

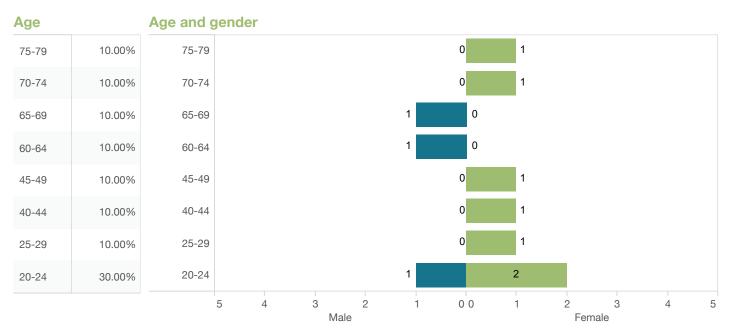

A referral may not be available for various reasons. In some cases, agencies are out of funding for a program; community need often outweighs the help available. There are many services within a need category, and some services simply don't exist in a community. Unmet community services with one or more requests are displayed below.
