# LINN COUNTY

July 2017 - September 2017

## Number of contacts, grouped by month and contact type

The chart above shows individual, anonymous contacts who reach out to 211info and not the total number of referrals given.

## Number of services requested across all contact types, grouped by problem need

## Number of services with five or more requests across all contact types

## Top 5 agencies referred to across all contact types

# LINN COUNTY

July 2017 - September 2017

There were 62 instances where there wasn't an appropriate referral for the contact's requested need. A referral may not be available for various reasons. In some cases, agencies are at capacity for a program; community need often outweighs the help available; and some services simply don't exist in a community.

## What are potential service gaps?
