

October - December 2017

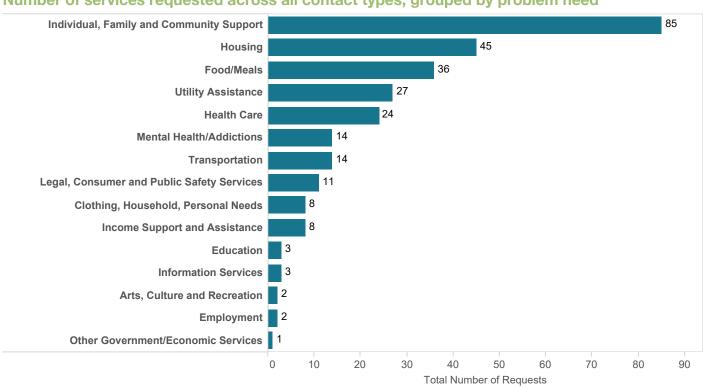

Number of contacts, grouped by month and contact type

The chart above shows individual, anonymous contacts who reached out to 211info and not the total number of referrals given.

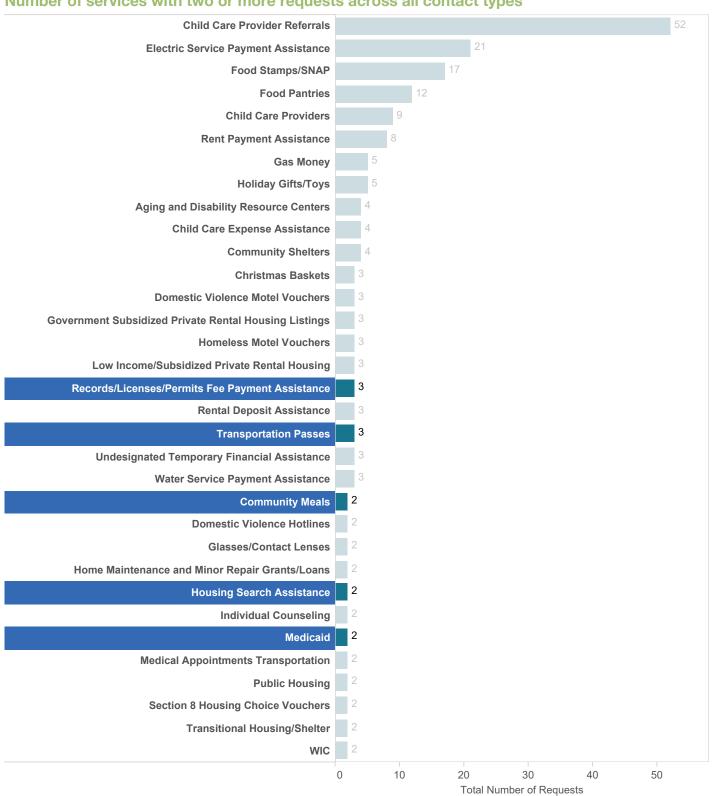

Number of services requested across all contact types, grouped by problem need

October - December 2017

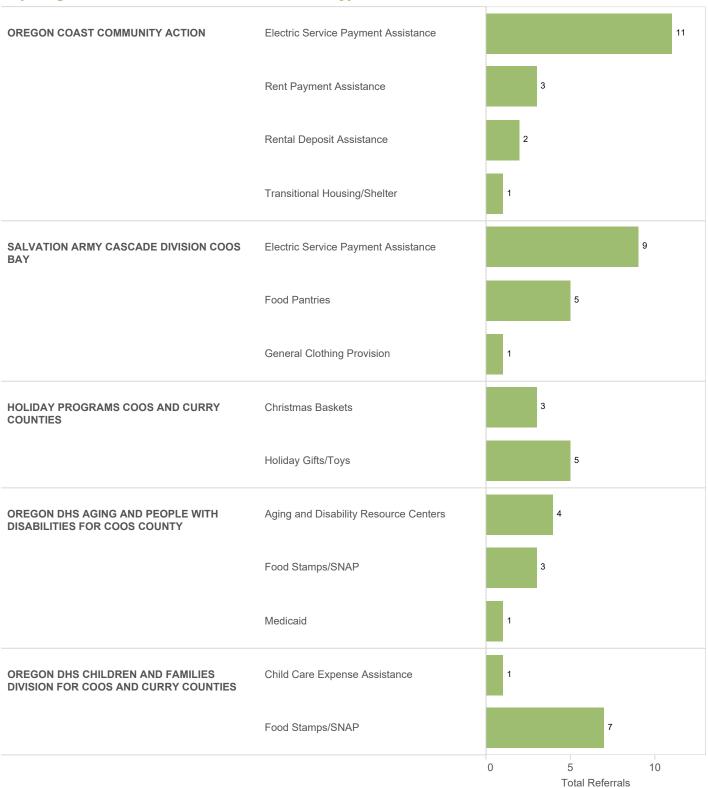

Number of services with two or more requests across all contact types

October - December 2017

Top 5 agencies referred to across all contact types

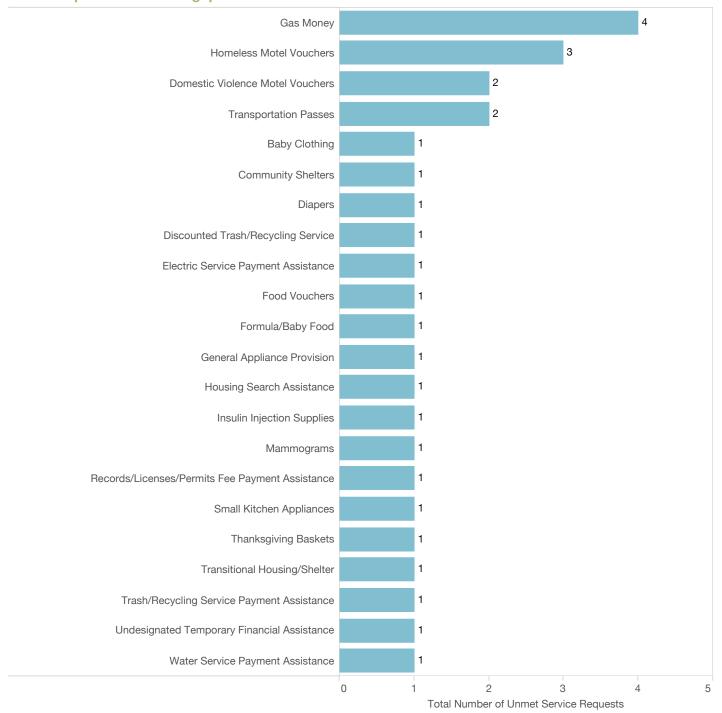

October - December 2017

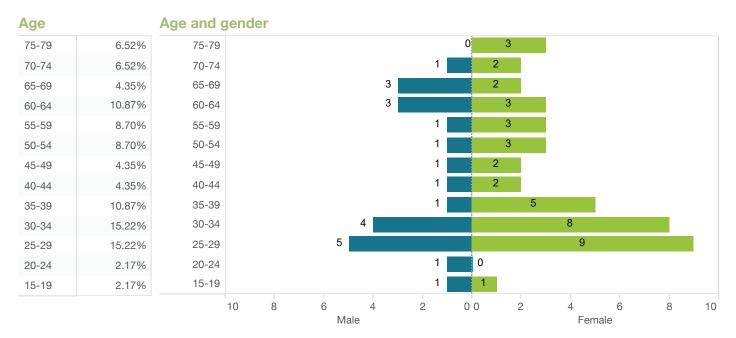

There were 29 instances where there wasn't an appropriate referral for the contact's requested need. A referral may not be available for various reasons. In some cases, agencies are at capacity for a program; community need often outweighs the help available, and some services simply may not exist in a community.
