Number of contacts, grouped by month and contact type

The chart above shows individual, anonymous contacts who reached out to 211info and not the total number of referrals given.

Number of services requested across all contact types, grouped by problem need

Number of services with four or more requests across all contact types

Top 5 agencies referred to across all contact types

There were 68 instances where there wasn't an appropriate referral for the contact's requested need. A referral may not be available for various reasons. In some cases, agencies are at capacity for a program; community need often outweighs the help available; and some services simply don't exist in a community.
