LINCOLN COUNTY

October - December 2017

Number of contacts, grouped by month and contact type

The chart above shows individual, anonymous contacts who reach out to 211info and not the total number of referrals given.

Number of services requested across all contact types, grouped by problem need

Number of services with three or more requests across all contact types

LINCOLN COUNTY

October - December 2017

Top five agencies referred to across all contact types

LINCOLN COUNTY

October - December 2017

There were 51 instances where there wasn't an appropriate referral for the contact's requested need. A referral may not be available for various reasons. In some cases, agencies are at capacity for a program; community need often outweighs the help available; and some services simply don't exist in a community.

What are potential service gaps?
