**RGG EDU:** RGG EDU is one of the only companies in the world creating comprehensive "docutorials" on the world's best image makers. We concept, write, produce, shoot, edit, and distribute every product worldwide in over 80 countries.

**Company Mission:** Create the best photography learning experience, leave no question unanswered, approach every tutorial like it's our last, and empower photographers to reach their goals by showcasing the world's best image makers.

**Internship Overview:**
Interns will work in a variety of roles relating to production, and working in a studio.  This includes everything from shooting and recording audio, building and breaking down sets, to helping keep the studio and gear maintained for the next shoot.

**Intern eligibility, skills, requirements**
Must be comfortable on set and be a proactive person.  Helping to make shoots run smoothly by anticipating problems before they arise, while having a positive attitude is crucial. Experience shooting and recording audio is a plus. This internship will focus on understanding how we capture media, and all the elements that go into getting the best content possible.

**Academic Major**
Video Production, Film Production,

**Application Process**
Please send a cover letter and resume with links to your portfolio to gary@rggedu.com in PDF format only.

**How will It be Educationally Significant?**
Students will gain insight into a documentary production company that specializes in products truly unique to the marketplace. Through this, they will gain on set experience and learn skills they can apply to future projects. Interns will see and experience the amount of technical work and creativity that goes into a shoot, while aiding and adding to to final product.

**Availability:** Year Round
