**Internship:** Photography & Studio PA / Assistant

**Supervisor:** Rob Grimm, Lead Photographer / Co-Founder [rob@rggedu.com](mailto:rob@rggedu.com)

**RGG EDU:** RGG EDU is one of the only companies in the world creating comprehensive “docutorials” on the world’s best image makers. We concept, write, produce, shoot, edit, and distribute every product worldwide in over 80 countries.

**Company Mission:** Create the best photography learning experience, leave no question unanswered, approach every tutorial like it's our last, and empower photographers to reach their goals by showcasing the world's best image makers.

#### **Internship Overview:**

This internship has multiple overlapping roles including;

- **Photography Assistant** - Assist our lead photographer, and visiting photographers, on a variety of photoshoots ranging in topics from liquids to people. Our assistant needs a basic understanding of photography principles and some photo equipment. You will be trained to handle and work with all of our camera, strobes and continuous light sources. As an assistant you will need to be attentive to the shoot, aware of the photographers needs as well as anticipating what will be needed during a shoot.
- **Studio Assistant** - We have a busy studio with sets changing on a regular basis. Keeping equipment organized and sets properly pulled together is a must. Keeping the studio, inclusive of the kitchen and client areas, needs to be kept organized. It is the job of the studio assistant to make sure that the studio maintains a level of organization to keep multiple projects flowing.
- **Production Assistant** - As part of this internship, you will be asked to jump in and help with the production of our photo and video projects. This can involve responsibilities as simple as running errands to helping our producer book models and organize the details of a photo or video shoot.
- **Video Assistant** - Our studio produces a great deal of video content on a regular basis. The responsibilities listed above will also apply to our video productions.

#### **Intern eligibility, skills, requirements:**

Must be have at least some experience with Adobe Photoshop & Capture One Pro. An understanding of photography basic skills and basic lighting are required.

This internship will focus on understanding the journey of our our digital content. From preproduction and shooting all the way to final export and publishing, interns will get to experience the challenges and situations we are confronted with everyday in digital storytelling.
