Maryland Chapter, American Academy of Pediatrics
Chesapeake Physicians for Social Responsibility

An Overview of the Chronic Effects of Pediatric Pesticides Poisoning and Policy Implications

Educational Event and Dinner – CME (2 AMA PRA Category 1 Credits)

Tuesday, November 3, 2015

Guest speaker is Professor James Roberts MD, MPH, FAAP, of the Medical University of South Carolina. Dr. Roberts is co-lead author of the Pesticide Exposure in Children policy statement and technical report for the American Academy of Pediatrics.

Following Dr. Robert’s presentation, Dr. Lorne Garrettson, Dr. Jerry Paulson and Julianna Simmons, MSPH, will participate in a panel discussion.

Dr. Lorne Garrettson is Professor Emeritus of Pediatrics at Emory University. Dr. Jerry Paulson is medical director for the Pediatric Environmental Health Specialty Unit Program Eastern Office, consultant to the Mid-Atlantic Center for Children’s Health & the Environment, and Professor Emeritus of the George Washington University Schools of Medicine and Public Health. Ms. Simmons is the Environmental and Occupational Health Program Manager for the Migrant Clinicians Network.
