FOREWORD

This handbook has been prepared to include directives for both students and parents. Both parents and teachers are urged to help the students become familiar with the contents to enable us to have a smoothly operating school.

Please plan to keep this book for several years. New handbooks will not ordinarily be issued, except to new families, until further revision is necessary.

We extend a warm welcome to all of our school family. We sincerely appreciate the sacrifices and dedication on the part of many who have made this school possible. We shall endeavor to present a high quality education in a Christian setting.

PLEDGE TO THE AMERICAN FLAG

I pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

PLEDGE TO THE CHRISTIAN FLAG

I pledge allegiance to the Christian flag, and to the Savior for whose kingdom it stands, one Savior crucified, risen, and coming again...with life and liberty for all who believe.

PLEDGE TO THE BIBLE

I pledge allegiance to the Bible, God's Holy Word, I will make it a lamp unto my feet and a light unto my path. I will hide its Word in my heart that I will not sin against God.

MISSION STATEMENT

Our mission is to serve as an Interdenominational Christian school equipping students through excellence in Christ-centered academics.

VISION STATEMENT

Striving for a more perfect union between Christ, life, and education.

STATEMENT OF PURPOSE

- To partner with Christian churches, parents, businesses and individuals to accomplish our mission.
- To provide excellence in Christian Education with a Biblical foundation resulting in generations of young people who will impact our world for Christ.
- To provide a safe, nurturing environment for each uniquely created student, regardless of status, race, or gender.
- To challenge each student to reach their greatest potential through spiritual formation and servant leadership.
- To provide opportunities for faculty and administration to be life-long learners through spiritual development and continuing education.
- To honor Christ in all that we say and do.

STATEMENT OF FAITH

We believe the Holy Scriptures of both the Old and New Testaments to be the verbally and plerarily inspired Word of God; in the fall of man his consequent depravity; in the reality and personality of Satan; in the Trinitarian nature of God: Father, Son, and Holy Spirit; in the virgin birth and deity of Jesus Christ; in the shed blood of Jesus Christ, the only atonement for sin; in justification by faith; in the personality and work of the Holy Spirit; in the physical resurrection of the Lord Jesus Christ from the dead and His glorified bodily presence at the right hand of God as our High Priest and Advocate; in the imminent personal return of our Lord Jesus Christ; in the Christian's walk, to be separated from worldly and sinful practices in marriage as the unity of one man and one woman in a single, exclusive covenant union as delineated in scripture (*GEN 2:18-25*) and that God intends sexual intimacy to occur only to a man and a woman who are married to each other (*GEN 1:27-28; 2:21-24, MATTHEW 19:4-9, MARK 10:5-9, EPHESIANS 5:22-33*); in the Church as the body of believers; and in the Great Commission as the primary mission of all believers.

PHILOSOPHY OF EDUCATION

Kankakee Trinity Academy seeks to provide a quality, Christ-centered education, in which all academic disciplines are predicated on the belief that the universe was created by God for His glory.

The program of learning will emphasize academic excellence, with learning experiences aimed at developing the student's maximum spiritual, intellectual, social, physical, and emotional potential.

KANKAKEE TRINITY ACADEMY operates as a private, interdenominational, coeducational Christian school with programs planned for pre-school through twelfth grade. We hold Certificate of Recognition from the Illinois State Board of Education.

NONDISCRIMINATORY POLICY

KANKAKEE TRINITY ACADEMY admits students of any race, color, national, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students in the academy. It does not discriminate on the basis of race, color, gender, national, and ethnic origin in the administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs. ALL STUDENTS ARE ACCEPTED ON A PROBATIONARY STATUS LASTING ONE SCHOOL YEAR.

HISTORY OF SCHOOL

KANKAKEE TRINITY ACADEMY began as a concept developed by a group of parents concerned about a quality, Christian education for their children and the children of the Kankakee area. These concerned parents met often during the summer months of 1981 sharing their burdens and the vision of KANKAKEE TRINITY ACADEMY.

The Board of Directors of KANKAKEE TRINITY ACADEMY was officially organized on September 1, 1981, to establish a not-for-profit, co-educational, Christian academy to meet the needs of students in grades Kindergarten through Grade Twelve. The academy opened on September 9, 1981, with 38 students, in the facilities of Immanuel Baptist Church.

KANKAKEE TRINITY ACADEMY was founded as a non-denominational community, Christian school, with a **strong evangelical emphasis**. It was to be governed by a Board of Directors of evangelical backgrounds, each agreeing without reservation to the school's adopted Statement of Faith.

The school's first year did not see students in Kindergarten, First Grade, nor Fourth Grade; however, the second year saw the enrollment go from 38 students to 87 students with the addition of these grades.

The program of KANKAKEE TRINITY ACADEMY was originally evaluated by the Illinois State Board of Education in February 1983, resulting in a 'Certificate of Recognition' being granted to the school following the state's visit. KTA continues to hold that Certificate of Recognition.

The school has been experiencing a steady growth, and the Board of Directors is committed, diligently to strive for "academic excellence in a Godly Christian setting." Each board member brings a unique background to his/her commitment to the ACADEMY and uses his/her area of expertise to fulfill the vision of KANKAKEE TRINITY ACADEMY. The original pastoral advisory board, composed of the Reverend Vernon Smith (Pastor, Faith Reformed Church), the Reverend Paul Brown (Pastor, Open Bible Church), and Dr. Robert F. Penner (Pastor, Immanuel Baptist Church) was instrumental in developing the school's Statement of Faith.

A Parent-Teacher Organization was formed the first year, with its own officers, to serve as a liaison organization between the Board of Directors, teachers, and the parents of TRINITY students.

KANKAKEE TRINITY ACADEMY was founded as the TRINITY TRIAD--a triad with the HOME, the SCHOOL, and the LOCAL CHURCH. Each member of the triad plays a vital part in the children's education. The school's colors, BLACK AND GOLD, were selected by the school's first student body. The school's mascot, the EAGLE, was selected by the Board of Directors from a list presented to the Board of Directors by the student body.

KANKAKEE TRINITY ACADEMY has and will continue to strive to develop Christian leaders for the FAMILY, the CHURCH, and the COMMUNITY.

POLICIES

ATTENDANCE POLICY

Kankakee Trinity Academy is committed to the philosophy that in order for quality education to occur, regular student attendance is necessary and required. Absence from school is always detrimental to the academic progress of the student. Class discussions and lectures cannot be repeated and make-up tests are very difficult to schedule.

CALLING OFF SCHOOL

1. For reasons of extreme inclement weather, school will be called off.
2. Announcement will be made as early as possible over Radio Station: AM1320 WKAN and FM95.1 WVLI. (Parents are urged to listen to the radio when they feel a possibility of school being called off exists.)
3. The school voicemail & Sycamore Education can also be accessed to find out about school cancellations.

ABSENCES

If a child is absent for any reason, the parent must call the school office daily and report the following:

- Child's name
- Grade/Homeroom Teacher's name
- Reason the student is absent
- Give symptoms if student is sick

ABSENCE DUE TO ILLNESS

Many diseases are not easily detected during the communicable period; however, the following symptoms are often warnings or signs of a communicable disease. Children should be kept home if they display any of the following symptoms:

- Nausea or vomiting
- Sore throat
- Swollen glands
- Excessive runny nose
- Earache
- Fever (100° or above)
- Red or Discharging eyes
- Flushed Skin, chills
- Chronic sneezing or coughing
- Skin eruptions or rashes
- Diarrhea

If a student shows symptoms of fever, vomiting, or diarrhea, he/she must be symptom free for 24 HOURS before returning to school.

To protect other students from communicable diseases, the school requires that students who become ill with the following communicable illness not return to school until they are definitely beyond the contagious stage and are free of all open sores or other possible contagious symptoms. For more serious diseases, the school requires a written release from a physician or the county Health Department before a student is allowed back in school.

- Measles
- Chicken Pox
- Lice
- Mumps
- Scarlet Fever
- Conjunctivitis
- Hepatitis
- Impetigo
- Strep Throat
- Too many to list (ask office when you call)

All non-immunized students (religious or medical exemptions) are unable to attend school in the event of an uncovered illness is contracted by a student or staff member.

PLANNED ABSENCES

The parent and/or student should obtain assignments from the teachers prior to the absence. Assignments are due upon return to school, unless prior arrangements are made. If the absence is planned ahead of time, one of two scenarios must happen:

UNPLANNED ABSENCES

The parent and/or student should obtain assignments from the teachers upon return to school. The student will have two (2) days for each day absent, to make up the assignments given during their absence. Work that was due during the absence, that was previously assigned, will be due upon return to school.

If the student is absent without prior notice, one of the following two scenarios must happen:

- A. A parent or guardian should call the school and notify the secretary that day.
- B. If for some reason a parent or guardian cannot call the school, the parent or guardian must notify the secretary in writing on the day the student returns stating the date and reason for the absence.

EXAMPLES OF EXCUSABLE ABSENCES

- A. Court appearances
- B. Surgery/doctor/dental appointments
- C. Funerals (permission to attend given by guardian)
- D. Family vacations that are out of town
- E. Illness verified by a parent or guardian (an absence of longer than five days due to illness MUST be verified in writing by a doctor)

EXAMPLES OF INEXCUSABLE ABSENCES

- F. Job training
- G. Work related activities
- H. NON-KTA Sports events
- I. Absences of longer than five days not verified by a doctor
- J. No ride available

PUNISHMENT FOR AN INEXCUSABLE ABSENCE

An inexcusable absence may result in an in-school suspension or out-of-school suspension. An inexcusable absence will result in disciplinary action by the administrator. Repeated offenses may result in expulsion by the Board of Directors.

EXCESSIVE ABSENCES

Any student who is absent for more than 12 days per semester will appear with parents before the board to explain the reason for excessive absences. The Board of Directors requires that for credit to be given for a course that the course work requirements be met whether they be homework assignments, tests, research papers, reports, field trips, etc. If not enough course work has been completed in order for the student to receive a passing grade, then the student will fail to receive credit for the course(s). Students are given two days for each day

absent to make up any newly assigned assignments (new assignments given the day of student's absence). After which time, the instructor may give the student a zero for the missing assignments. This naturally would affect the student's overall grade for the course. (It is the student's responsibility to find out from the teacher what he/she missed during an absence from school.) Kankakee Trinity Academy's motto is "Academic excellence in a Christian environment," and it is academic excellence which is the focus of the attendance policy.

LEAVING THE SCHOOL GROUNDS DURING THE SCHOOL DAY

The school day begins when the student arrives on school grounds and ends at the conclusion of their scheduled activities. Students must both sign out and sign in when leaving from and returning to the building. The student's name, the time in or out and the reason for leaving must be written legibly so the secretary can keep track of this information for records. The school office must be notified by the parent (or guardian) before any student leaves school grounds during the school day.

Students are not allowed to leave school grounds for lunch unless they are accompanied by a parent approved adult.

TARDIES

TARDY TO SCHOOL PUNISHMENT

- K. Six late-to-school tardies per semester will result in a Detention.
- L. The twelfth late-to-school tardy (per semester) will result in a double Detention.
- M. A continuation of late-to-school tardies may result in an In-School-Suspension or dismissal by the Board of Directors.

SOME EXAMPLES OF INEXCUSABLE LATE-TO-SCHOOL TARDIES

- Alarm clock not working
- Oversleeping
- Missing the bus
- Fellow students not ready on time

- O. Students with learning disorders may, in some cases, be exempt from this rule as long as the exemption is not abused.
- P. Three (3) warnings in 1 week will result in a Detention.
- Q. Multiple warnings in a calendar month (6 or more offenses) may result in a Detention.
- R. Excessive tardies may result in an out-of-school suspension or expulsion by the Board of Directors.

SKIPPING CLASS

Any student who skips class or refuses to go to class will receive one day of in-school suspension or one day of out-of-school suspension.

CONDUCT CODE

As a Christian educational institution, KANKAKEE TRINITY ACADEMY expects that its students not only live lives that are above reproach, but that they also exemplify Christian unselfishness and respect in all their dealings with staff and other students.

It is our belief that Christian students should avoid practices which cause the loss of sensitivity to the spiritual needs of the world and the loss of the Christian's physical, mental, or spiritual well-being (Romans 12:1-2).

1. Maintain high standards of courtesy, kindness, morality, and honesty.
2. Maintain high standards of academic excellence.
3. Dress appropriately and modestly.
4. Respect those in authority.
5. Respect the rules and regulations established for the operation of KTA.

18. Wasting restroom supplies such as paper towels, soap, and toilet paper. *Exodus 20:15 "Thou shalt not steal."*

DISCIPLINE/PUNISHMENT/WARNINGS

Each teacher may post classroom rules and consequences for offenses in addition to our present policy, for those students who display unruly and class-disrupting conduct.

The teacher will inform the student of a warning received and entered into Sycamore. When necessary, the student may also be sent to the office to see the principal.

In Junior High & High School a Warning may be given for minor offenses. 3 Warnings are equivalent to a detention within a one week period. Students receiving Warnings

CORPORAL PUNISHMENT

Corporal punishment is not permitted at Kankakee Trinity Academy as a method of discipline. Parents will be ultimately responsible for the discipline of their children. Sometimes they may be called to administer discipline in this area.

DETENTIONS

Detentions will be ½ hour long with the teacher who has been assigned to detentions. Parents will be notified. Detentions must be served on the office assigned date and are scheduled on Thursdays from 7:15am – 7:45am. The student must work on school related work during detention. The school work assigned shall be at the discretion of the detention teacher. Failure to serve a detention in the time allowed may result in a suspension. The administrator will decide whether the student will serve an in-school or out-of-school suspension. Daily school work must be done,

After 3 detentions, students will receive a Saturday school. If they skip a detention, a Saturday school will be issued. Students will not revert back to detentions after reaching the Saturday school level. After 3 Saturday schools, students will go before Pastor Brad for further discipline as he sees fit. They may need to serve a suspension, or be required for the Board to review and meet with the student and parents.

The following are some examples of behavior for which detentions may be given:

A second offense will result in a detention and the phone confiscated and must be picked up by a parent/guardian. Excessive infractions will result in further disciplinary action.

Any other infraction considered by the Administrator and/or classroom teacher as deserving of a detention may receive a detention. Note: The KTA School Board reserves the right to expel a student if his/her detentions are excessive in number ("excessive" is determined by the board) or if the student has an excessive number of detentions for the same misbehavior.

CURRICULUM (KINDERGARTEN – 12TH)

The curriculum, used by KANKAKEE TRINITY ACADEMY, is planned, using guidelines set forth by the State of Illinois Office of Education. A well-rounded program has been planned to meet the mental, physical, social, emotional, aesthetic, and spiritual needs of its students.

Great emphasis is placed on the fundamentals of education. A strong reading program, which combines the best of the modern and traditional systems, provides the academic base. A clear understanding of scriptures is encouraged by use of the NIV **Bible**. However, students may use any generally approved translation. Penmanship is stressed. Good work habits are emphasized.

KANKAKEE TRINITY ACADEMY graduates fulfill the requirements as set forth by the Illinois State Board of Education and the Illinois School Code.

HOMEWORK

In each grade beginning with Grade One, there is a homework responsibility for each child on a regular basis. The amount of homework is graduated, depending upon the age and grade level of the child. The time required to complete the homework will be conditioned by the intelligence and maturation of each student.

In general, the following maximum time-limits for homework should be followed:

- Grade One 30 minutes
- Grade Two 30 minutes
- Grade Three – Six 30 - 60 minutes
- Grade Seven and Up 2 hours

During each class period, time will be set aside to give clearly assigned work. This provides opportunity for each child to begin his/her homework in class under teacher supervision.

MAKE-UP WORK

When a student is absent, due to illness or any other excusable reason, all assigned work should be made up.

1. It is the student's responsibility to get his/her make-up work assignments upon his/her return to school.
2. The student will have two (2) days for each day absent, to make up the assignments given during their absence. Work that was due during the absence, that was previously assigned, will be due upon return to school.
3. If the assigned make-up work is not completed by the time deadline the student may receive an "unsatisfactory" or "failing" mark.

AWARDS

Awards will be given at a special awards assembly in May and at the graduation ceremonies for those who have received special honors in school-related activities. The awards given vary somewhat from year to year. Previous awards given include (but not limited to) the prestigious National Honor Society Induction, Kiwanis Club Awards, and the American Legion Award.

Students maintaining an average of at least a "B-" will be placed on the "HONORS" roll. An "HONORABLE MENTION" list will be compiled for those students who have at least a "C+" average. It is not to seek to direct the administrative activities of the school nor to control the policy-making decisions of the board. MAKE-UP WORK

It is appreciated that parents are willing to pick up work for their child who has been ill; however, please call before coming in or send a note. This gives the teacher time to collect the work at a time when it can be collected without interrupting the rest of the class's work. Below is the Acceptable Use and Internet Safety Policy ("Policy") of Kankakee Trinity Academy. No student shall be subject to bullying during any school-sponsored education program or activity, while in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the bus, at schools-sponsored or school-sanctioned events or activities, or through the transmission of information from a school computer, school computer network or other similar electronic school equipment. Bullying make take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying.

Cyber Bullying

[105 ILCS 5/27-23.7](#) (2010) prohibits bullying (as defined in the statute) in the school environment and includes in its definition of bullying electronic communications. Bullying is specifically prohibited through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.

Hazing

[720 ILCS 120/5](#) (1996) defines hazing as a person who knowingly requires the performance of an act by a student or other person in a school, college, university or other educational institution, for purpose of induction or admission into any group, organization or society associated with or connected with that institution, if the act is not sanctioned or authorized by the institution and the act results in bodily harm.

4. Don't assume that a sender of e-mail is giving his or her permission for you to forward or redistribute the message to third parties or to give his/her e-mail address to third parties. This should only be done with permission or when you know that the individual would have no objection.
5. Be considerate when sending attachments with e-mail (where this is permitted). Be sure that the file is not too large to be accommodated by the recipient's system and is in a format which the recipient can open.

IV. INTERNET SAFETY

A. General Warning; Individual Responsibility of Parents and Users. All users and their parents/guardians are advised that access to the electronic network may include the potential for access to materials inappropriate for school-aged pupils. Every user must take responsibility for his or her use of the computer network and Internet and stay away from these sites. Parents of minors are the best guide to materials to shun. If a student finds that other users are visiting offensive or harmful sites, he or she should report such use to the person designated by the School.

B. Personal Safety. Be safe. In using the computer network and Internet, do not reveal personal information such as your home address or telephone number. Do not use your real last name or any other information which might allow a person to locate you without first obtaining the permission of a supervising teacher. Do not arrange a face-to-face meeting with someone you "meet" on the computer network or Internet without your parent's permission (if you are under 18). Regardless of your age, you should never agree to meet a person you have only communicated with on the Internet in a secluded place or in a private setting.

C. "Hacking" and Other Illegal Activities. It is a violation of this Policy to use the School's computer network or the Internet to gain unauthorized access to other computers or computer systems, or to attempt to gain such unauthorized access. Any use which violates state or federal law relating to copyright, trade secrets, the distribution of obscene or pornographic materials, or which violates any other applicable law or municipal ordinance, is strictly prohibited.

D. Confidentiality of Student Information. Personally identifiable information concerning students may not be disclosed or used in any way on the Internet without the permission of a parent or guardian or, if the student is 18 or over, the permission of the student himself/herself. Users should never give out private or confidential information about themselves or others on the Internet, particularly credit card numbers and Social Security numbers. A supervising teacher or administrator may authorize the release of directory information, as defined by Ohio law, for internal administrative purposes or approved educational projects and activities.

E. Active Restriction Measures. Kankakee Trinity Academy, either by itself or in combination with the Data Acquisition Site providing Internet access, will utilize filtering software or other technologies to prevent students from accessing visual depictions that are (1) obscene, (2) child pornography, or (3) harmful to minors. Kankakee Trinity Academy will also monitor the online activities of students, through direct observation and/or technological means, to ensure that students are not accessing such depictions or any other material which is inappropriate for minors.

Internet filtering software or other technology-based protection systems may be disabled by a supervising teacher or school administrator, as necessary, for purposes of bona fide research or other educational projects being conducted by students age 17 and older.

The term "harmful to minors" is defined by the Communications Act of 1934 (47 USC Section 254 [h][7]), as meaning any picture, image, graphic image file, or other visual depiction that - taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion;

- depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals;

Kankakee Trinity Academy reserves the right to monitor, inspect, copy, review and store at any time and without prior notice any and all usage of the computer network and Internet access and any and all information transmitted or received in connection with such usage. All such information files shall be and remain the property of the Kankakee Trinity Academy and no user shall have any expectation of privacy regarding such materials.

VI. FAILURE TO FOLLOW POLICY

The user's use of the computer network and Internet is a privilege, not a right. A user who violates this Policy, shall at a minimum, have his or her access to the computer network and Internet terminated, which Kankakee Trinity Academy may refuse to reinstate for the remainder of the student's enrollment in the Kankakee Trinity Academy. A user violates this Policy by his or her own action or by failing to report any violations by other users that come to the attention of the user. Further, a user violates this Policy if he or she permits another to use his or her account or password to access the computer network and Internet, including any user whose access has been denied or terminated. Kankakee Trinity Academy may also take other disciplinary action in such circumstances.

VII. WARRANTIES/INDEMNIFICATION

Kankakee Trinity Academy makes no warranties of any kind, either express or implied, in connection with its provision of access to and use of its computer networks and the Internet provided under this Policy. It shall not be responsible for any claims, losses, damages or costs (including attorney's fees) of any kind suffered, directly or indirectly, by any user or his or her parent(s) or guardian(s) arising out of the user's use of its computer networks or the Internet under this Policy. By signing this Policy, users are taking full responsibility for his or her use, and the user who is 18 or older or, in the case of a user under 18, the parent(s) or guardian(s) are agreeing to indemnify and hold Kankakee Trinity Academy and all of their administrators, teachers, and staff harmless from any and all loss, costs, claims or damages resulting from the user's access to its computer network and the Internet, including but not limited to any fees or charges incurred through purchases of goods or services by the user. The user or, if the user is a minor, the user's parent(s) or guardian(s) agree to cooperate with Kankakee Trinity Academy in the event of Kankakee Trinity Academy initiating an investigation of a user's use of his or her access to its computer network and the Internet, whether that use is on a Kankakee Trinity Academy computer or on another computer outside of Kankakee Trinity Academy.
