

LOOP NOLA is a nonprofit organization whose mission is to provide positive, life-changing outdoor experiences for children and youth in Greater New Orleans. LOOP NOLA addresses the lack of opportunity for urban children to experience the outdoors. We nurture students' connections to nature by developing a sense of wonder at the natural world along with their social, technical and academic skills through repeated exposure to outdoor adventures over multiple years.

LOOP NOLA engages small groups (10-30 students) in a series of academically linked, adventure based activities. We have existing partnerships, but we want more students in grades 2-12 to experience the outdoors in 2017 and beyond!

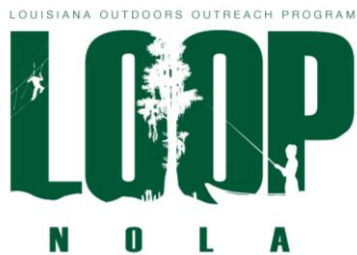

Contact us to reserve an adventure for your school or class today:
