2017 Release and Waiver Form

This is a general Release and Waiver form that must be filled out for each participant in the LOOP NOLA program. LOOP NOLA is a 501c3 public charity established in Louisiana with a mission to provide life-changing, positive outdoor experiences for children and youth in Greater New Orleans. By signing at the bottom of this page, the Participant or the parent/legal guardian of each Participant is releasing LOOP NOLA and any partner program site location owners from liability incurred in the usual and customary participation in the activities listed below.

I, _____ (print name of person signing this form), as the Participant or parent/legal guardian of _____ (print name of Participant if Participant is under 18 years old), understand that the following activities are potentially dangerous and that there are substantial risks and dangers that exist by their very nature. I will not participate unless I am medically able or allow my child to participate unless he/she is medically able. I assume the risks associated with the participation in those activities listed below. In consideration for the ability to participate in these activities I, for myself and anyone entitled to act on my behalf or my child's behalf, waive and release LOOP NOLA, its partners and all of its employees, agents, representatives, and successors from all claims and liabilities of any kind arising out of my or my child's participation in these activities.

I declare that the Participant is in good health and it at least or above the minimum age required for participation in all events selected. I understand that strenuous physical exertion may be required, and the Participant has no known physical disabilities or health problems that will present any risk to participation in this program's activities (i.e. the provision of all meals, overnight camping, predominantly outdoor activities, etc.)

I agree to allow my child to participate in the following outdoor activities with LOOP NOLA including, but not limited to challenge course participation, camping, canoeing, general recreation, fishing, swimming, hiking and the transportation to various locations outside of the classroom.
