

## Become a Business Member of the Catskill Center

On behalf of the Board of Directors and staff of the Catskill Center, we thank you for your support and dedication to the Catskill region. It's only with the support of businesses like you that the Center can achieve goals we all share, healthy ecosystems and vibrant communities in our beloved Catskills.

The Catskill Center is seeking to create meaningful partnerships with local and regional businesses. We want to promote and highlight your businesses' support of the Catskill Center to our audience, which reaches across the state, country and world. This audience believes in protecting not only our natural resources but insuring the success of enterprise in the Catskills. Approximately one thousand annual dues paying members; four thousand individuals subscribed to our monthly news and events mailings; three thousand average impressions for daily postings on Facebook and Twitter; and thirteen hundred followers on Instagram; can all be reached directly through this potential partnership.

### We hope you'll become a Business Member today!

Locally-owned enterprise plays a huge role in preserving the prosperity of our region. The Catskill Center aims to connect local businesses with the like-minded individuals who make up our audience. Your support today helps us continue these unifying endeavors and other innovative projects of the Center, all to protect our vital ecosystems and unique landscapes, enhance economic opportunities for our region's residents, and preserve the natural, cultural and historic resources of the Catskills.

**Only with your support can we continue to protect and promote the greater Catskill region while preserving it for generations to come.**
