

## **TWO CITIES MARATHON & HALF - SUNDAY, NOVEMBER 1, 2015 NOTICE OF STREET CLOSURES FOR FRESNO & CLOVIS**

The annual Two Cities Marathon and Half returns to Fresno and Clovis on Sunday, November 1, 2015. This premier event brings thousands of visitors from around the country into Fresno County, boosting the local economy. The event is also a showcase for our local communities. This year's course is substantially the same as the 2012 course designed to minimize impacts on local residents, churches and businesses, while providing a scenic course and memorable experience for race participants.

The Two Cities Marathon Committee has worked closely with the Cities of Fresno and Clovis to reduce the inconvenience to those living, attending church or doing business along the event route. The Police will provide additional officers along the main alternate routes of Willow Avenue (at key intersections such as Shepherd and Perrin Avenues), and along the alternate route of Nees Avenue, to improve the flow of traffic along these alternate routes.

Please see the STREET CLOSURE TIMES below:
