FEATURES & BENEFITS:

- ❖ Distinguishable from standard Sushi Ebi, the delicate neck meat is included and, with its elegant appearance, provides chefs with higher priced menu options.
- ❖ The extremely deep red hues, which can only be achieved by cooking from live shrimp, makes Ikejime Sushi Ebi the ultimate eye-catching topping.

This premium Sushi Ebi is processed from 100% live shrimp and sets itself apart with its exceptional color, texture and flavor.
