Experience the **difference.**

**PREMIUM  
QUALITY**

**INDIVIDUALLY  
WRAPPED**

**READY TO EAT**

**RETAIL READY**

## FEATURES & BENEFITS:

- ❖ Soft kamaboko (Japanese fish cake) texture yields a melt-in-your-mouth, warm texture when made into a California Roll, while also making a satisfying stand-alone appetizer.
- ❖ Crane Bay® Kani Kama shreds easily, displaying the quality of its fish content and the ideal ratio of flour and water. The shreds of fresh Kani Kama can brighten any salad, sunomono dish or be used as a fun flowering garnish.
