YIELD

### FEATURES & BENEFITS:

- ❖ Slight curly strains of vibrant red and white colors, reminiscent of real crab texture, easily adheres together to make the Crab Salad mix in California Rolls. Also, one of the most popular protein choices in the Poke Bowl.
- ❖ MSC Certified along with No MSG and No artificial coloring, certainly approved by the most stringent chefs.

### PRODUCT SPECIFICATIONS:

Item Number 5012 (SHREDS)

Pack 2.5 lb/bag

Bags/Case 12

The most popular Kani Kama use by chefs is for crab salad used inside and as a topping in sushi rolls.

The favorable low-moisture in our Kani Kama Shreds provide simple, fast preparation of Crab Salad, due to their prompt binding with mayo-based marinade.
