2009 Annual Meeting

Friday 27th – Sunday 29th March 2009

Quay West Resort Bunker Bay
Margaret River Wine Region
Western Australia
REGISTRATION BROCHURE

WELCOME
On behalf of the ANZSNR and the Neurological Intervention & Imaging Service of WA (NIIS WA) I would like to extend a warm invitation to all to attend the 2009 ANZSNR Meeting in the Margaret River Wine Region, Western Australia. The scientific programme should prove to be a rewarding mix of diagnostic and interventional neuroradiological topics as well as the usual case–based interactive interventional discussion. Prof. Randall Higashida, Prof. Jacques Dion and Dr Perry Ng represent our outstanding overseas interventionist faculty and I have no doubt the INR day will prove to be of immense value. I am sure you will find the resort and setting to be first-class and the social activities planned offer an excellent choice for all ages and interests. The weather at this time of year is perfect for exploring all of the attractions of south–west WA. As usual the meeting offers daytime and evening activities designed to promote an informal social interaction between delegates and our sponsors from industry. I look forward to welcoming you all to the beautiful shores of south–west Western Australia to enjoy a glass of the finest Margaret River Cabernet (or Chardonnay) and of course the 2009 ANZSNR meeting.

Con Phatouros
2009 ANZSNR Meeting Convenor

VENUE
The meeting will be held at Quay West Resort Bunker Bay approximately 4 hours drive from Perth, in the Margaret River Wine Region of Western Australia. Quay West Resort is a five star establishment situated directly on the beach in a tranquil protected bay that is ideal for swimming and other water activities. On site facilities include heated swimming pool, tennis courts, fully-equipped gymnasium, health and rejuvenation Day Spa, extensive gardens for jogging and walking. Close by is Yallingup beach which offers world-class surfing.

ACCOMMODATION
Luxuriously appointed Single and Double Studio Villas have been reserved for the nights of Thursday 26, Friday 27 and Saturday 28 March 2009. Rates are inclusive of a full buffet breakfast as per room listing. A rollaway bed is available on request at $50 per night. Cots are free of charge. Bookings, together with the full payment, must be forwarded to the meeting Secretariat by no later than 23 February 2009. The Resort will not guarantee accommodation beyond this date.

CHANGES/CANCELLATIONS TO ACCOMMODATION
All changes or cancellations must be submitted in writing to the Meeting Secretariat. Please note that the Quay West Resort impose a strict cancellation policy and therefore any accommodation cancelled after 23 February 2009 will be subject to a 100% cancellation fee of the total room value.

REGISTRATION INCLUSIONS
All registration fees include airport transfers, lunches daily, Welcome Buffet BBQ on Thursday night, Gala Dinner at Wise Vineyard Restaurant on Friday night and Dinner on Saturday night .

SOCIAL PROGRAMME
The following social activities have been programmed for Saturday afternoon at an additional cost. Please note that an activity may be cancelled if there are insufficient numbers.

Premium Wine Tasting (1pm – 5pm) – Cost: $A30 per person
Private wine tastings have been arranged at four of Margaret River’s premium establishments, Vasse Felix, Howard Park, Lenton Brae and Voyager Estate. Vasse Felix will have their Heytesbury Chardonnay available for tasting while at Voyager Estate you will experience a structured wine tasting of 6 wines. Numbers are restricted to 2 groups of 25 people.

Wine Tasting/Cheese/Chocolate Tour (1pm – 5pm) – Cost: $A30 per person
Scenic coach tour with commentary incorporating wine tasting at the Knee Deep Winery, a visit to the Margaret River Chocolate Company, cheese tasting at the Margaret River Dairy Company and wine tasting at the Virgin Block Winery before returning to the Resort.

Jewel Cave (1pm – 5pm) – Cost: $A35 per person
Jewel Cave is Western Australia’s largest show cave and is home to one of the longest straw stalactites found in any tourist cave in the world. The caverns of Jewel Cave sink to a depth of 42 metres and stretch 1.9 kilometres long and soon after entering the cave you will see its most famous formation, the straw stalactite that hangs delicately 5.4 metres from the ceiling. Your guide will take you on an incredible and informative journey.

CPD
The RANZCR is currently assessing the programme for allocation of CPD points.

SCIENTIFIC PROGRAMME

Thursday 26 March 2009
7.00–10.00 Welcome BBQ

Friday 27 March 2009

Will McAuliffe/Jason Wenderoth

INTRACRANIAL STENTING
10.30–10.40 Boston Scientific Presentation
10.40–11.10 Mechanical Thrombectomy for Stroke
11.10–11.40 Intracranial Stenting: State of the Art
11.40–12.00 Carotid Test Occlusion & Sacrifice
12.00–12.30 Cases/Discussion
12.30–1.15 Lunch

Peter Mitchell/Hal Rice

CAROTID STENTING
1.15–1.25 Medtel/Micrus Presentation
1.25–1.55 Carotid Artery Stenting: Current Status, Trials & Technique
1.55–3.00 Cases/Discussion
3.00–3.30 Afternoon Tea

Tim Harrington/Rebecca Scroop

VASCULAR MALFORMATIONS
3.30–3.50 Onyx for Caroticocavernous Fistulas
3.50–4.20 Vascular Malformations: State of the Art
4.20–5.00 Cases/Discussion
7.00–10.00 Gala Dinner at Wise Winery Restaurant

Saturday 28 March 2009

</tbody>
</table>
Cerebral Vasculitis: Role & Utility Of Neuroimaging
Prof. Alan Coulthard
8.25–8.50

Cerebral Microhaemorrhages: An Important Emerging Imaging Concept
Dr Randall Jones
8.50–9.15

Spinal MRA: How Useful Is It?
Dr Lavier Gomes
9.15–9.30

Morning Tea
9.30–10.00

T1 Contrast Effects @ 3T: More Is Sometimes Less
Mr Lincoln Codd
10.00–10.20

Imaging of Temporal Lobe Epilepsy @ 3T
Prof. Patricia Desmond
10.20–10.45

Dose Reduction Strategies in Neuro CT
Ms Anne Winsor
10.45–11.05

Signature MR-Spectroscopy
Dr Laughlin Dawes
11.05–11.20

Pleomorphic Xanthoastrocytomas
Dr Catherine Mandel
11.20–11.35

Susac’s Syndrome: What You Need To Know
Dr Mahen Nadarajah
11.35–11.50

Cerebral Fat Embolism Syndrome: The Imaging Patterns
Dr Sonja Raven
11.50–12.10

Cerebral Fat Embolism Syndrome: The Imaging Patterns
Dr Sonja Raven
12.10–12.30

Lunch
12.30–1.00

ANZSNR AGM
Alan Coulthard/Ferry Dharsono
7.15–8.00

Normal Pressure Hydrocephalus: Current Concepts & Imaging
Dr Grant Bateman
8.00–8.30

Idiopathic Intracranial Hypertension: Update On Imaging & Treatment
Dr Will McAuliffe
8.30–9.00

Spontaneous Intracranial Hypotension (Schaltenbrand’s Syndrome): Imaging Findings
Dr Lavier Gomes
9.00–9.25

CSF Flow Studies: Indications & Techniques
Dr Ian Cox
9.25–9.40

CSF Leak Studies: Indications & Techniques
Dr Jason Wenderoth
9.40–9.55

Morning Tea
10.00–10.30

Smart Syndrome: Do You Need To Be Smart To Diagnose It?
Dr Michael Bynevelt
10.30–10.50

CNS Whipples Disease: Rare But...
Dr Randall Jones
10.50–11.10

Update on Reversible Callosal Splenial Lesions
Dr Ferry Dharsono
11.10–11.30

Imaging Signs in Multiple System Atrophy: Easter Comes Early
Dr Con Phatouros
11.30–11.50

CLOSE
11.50–12.00

Lunch
12.00–1.00
