WELCOME
On behalf of the Australian and New Zealand Society of Neuroradiology, we invite you to attend the
2008 Annual Meeting to be held at the Ayers Rock Resort, Northern Territory from Friday 27 to Sunday 29 June 2008.

We are fortunate to have Dr. Andy Molyneux from Nuffield in the UK as the keynote speaker and he will be supported by a number of local faculty. The scientific programme will cover a full day of Interventional Neuroradiology on Friday with the usual half day sessions on Saturday and Sunday.

We look forward to welcoming you all to the magnificent Ayers Rock Resort where you can escape the everyday pressures of work to enjoy a weekend of Neuroradiology.
