Australia & New Zealand Society of Neuroradiology Annual Scientific Meeting 6-9 July, 2017

Provisional Program
Thursday 6th July, 2017

12.00 Registration opens

13.30 INTERVENTIONAL NEUORADIOLOGY

LECTURE SESSION

Infectious Aneurysms

Dr Matt Crockett

Neurovascular Thrombectomy - What is currently on the fringe?

Dr Tim Phillips

TBA

15.00 Afternoon Tea & Industry Exhibition

15.30 INR CASE PRESENTATION SESSION

18.00 Welcome Reception, Speakers Green, Parliament House

Friday 7th July, 2017

07.00 Registration

08.00 PLENARY SESSION: ACUTE STROKE & NEUORADIOLOGY: A NEW ERA OF THERAPY

The Trial Data: Where are we now?

Dr Tim Phillips

How does the Diagnostic Neuroradiologist contribute in modern acute stroke management?

Dr Jolandi van Heerden

What are the issues facing effective delivery of a hyper-acute stroke service?

Professor Peter Mitchell

Bad outcomes and decompressive craniectomy in 2017: Ethical considerations

Mr Stephen Honeybul

10.15 Morning Tea & Industry Exhibition
Friday 7th July, 2017 cont.

10.45 Parallel Sessions

**Neurological Speedy Spiels**

*Vertebroplasty: A phoenix rises from the ashes?*

Dr Scott Davies

**Orbit Session**

*Imaging the anterior optic pathway*

Dr Rahul Lakshmanan

**CLIPPERS: When to suggest the diagnosis?**

Dr Michael Ratcliffe

**RCVS Update 2017**

Dr Con Phatouros

**HONK if you see it!**

TBC

12.15 Lunch & Industry Exhibition

*Interactive film reading with Professor Anne Osborn*

13.30 Plenary Sessions: Brain Tumours

**2016 WHO Classification of CNS Neoplasms, Update 2017: What Neuroradiologists Need to Know Part 1**

Professor Anne Osborn

**2016 WHO Classification of CNS Neoplasms, Update 2017: What Neuroradiologists Need to Know Part 2**

Professor Anne Osborn

*Neuroradiology: Paranormal activity*

Dr Mike Bynevelt

*Low Grade Gliomas: What are the management controversies in 2017?*

Mr Stephen Honeybul

15.30 Afternoon Tea & Industry Exhibition
### Friday 7th July, 2017 cont

</table>
Saturday 8th July, 2017 cont

12.00  Lunch & Industry Exhibition

*Interactive film reading with Professor Christine Glastonbury*

12.15  AGM

13.15  PLENARY SESSION: ORAL CANCER/HEAD & NECK CANCER

*HPV and staging update*

Professor Christine Glastonbury

*Contemporary surgical management of oral cavity SCC*

Mr Chady Sader

*Perineural tumour spread*

Dr Jennifer Sommerville

*Reading the post-treatment neck*

Professor Christine Glastonbury

15.45  Afternoon Tea & Industry Exhibition

15.45  PARALLEL SESSIONS

**Spine**

*Diagnosis and percutaneous treatment of spinal CSF leaks*

Dr Scott Davies

*Imaging of spinal cord inflammatory disease*

Associate Professor Pramit Phal

*Malignant infiltration of the cervical plexus: An under-recognised entity*

Dr Ben Moon

**Oral & Maxillofacial Radiology (OMFR)**

*Basic imaging anatomy*

Associate Professor Andy Whyte

*Imaging the fundamentals of OMFR*

Dr Tess Matias

*Advanced oral & maxillofacial imaging*

Associate Professor Andy Whyte

18.30 for 19.00  Gala Dinner, Wharf One, Waterfront Darwin
Sunday 9th July, 2017

08.15  PLENARY NEURO SESSION

*Toxic and acquired metabolic encephalopathy: Update 2017*

Professor Anne Osborn

*Neuroimaging of drug abuse*

Dr Sandeep Bhuta

*CNS vasculitis and mimics (Update 2017): Does vessel wall imaging really help?*

Professor Anne Osborn

10.00  Morning Tea & Industry Exhibition

10.30  PLENARY ENT/NEURO SESSION

*Parotid masses: A practical approach*

Professor Christine Glastonbury

*Brain trauma update 2017: Looking beyond the usual suspects*

Professor Anne Osborn

*Head and neck imaging pearls*

Professor Christine Glastonbury

12.15  Conclusion of Meeting
