The Mark Greel Band has been performing for 25 years throughout New England and around the World. Their tasteful and high energy live performance holds a reputation second to none. The Mark Greel Band is consistently the band of choice for many of Boston's major hotels and party professionals.

At **Governor Deval Patrick's Inaugural Ball**, the Mark Greel Band was selected as a headlining act for their distinct ability to please any crowd. The **Boston Harbor Hotel** chose the Mark Greel Band for their 5th star award celebration for their polished presentation and professionalism. And when **Governor Romney** requested a band for his son's wedding at the Fairmont Copley Plaza, he decided the Mark Greel Band would be the ideal entertainment for their four hundred guests.

From Sinatra to Mowtown, 70's to Classic Rock and Roll, Latin to Hip Hop, The Mark Greel Band delivers amazing musicianship throughout their wide range of music. Outstanding male and female vocals, a killer horn section and exceptional arrangements have long been the trademark of this full-time band of first class entertainers.

*A warm
welcome from
Mark Greel...*

I'd like to take this opportunity to welcome you to our CD demo and to thank you for your interest in the Mark Greel Band.

This demo contains short segments from many different songs from a wide range of music.

From Sinatra to Santana to Outcast and beyond.

I've also included some of our Latin dance hits,

dinner set and cocktail hour samples and even some wedding ceremony and Klezmer music.

These selections will give you a good representation of our versatility, vocal performances, and instrumentation. As you will hear, we're all about horns in this band. We're very proud of our horn section and the band's ability to cover a wide array of vocal styles.

While you audition this demo, use these songs as an overview of what we can perform. You'll be able to customize the song selections for your event and as always, I'll be reading the crowd. The Mark Greel Band is available from four to eight pieces so you can choose the size that best meets your music needs, logistics, and budget.

Thank you again for considering us, and on behalf on myself and the entire band, we sincerely hope you enjoy the music and feel free to dance.

Sincerely,
Mark Greel

Reviews from industry professionals around Boston...

Dear Mark,

How can we ever thank you and your fellow band members? You were truly amazing! You absolutely made our wedding one that we will never forget. From the ceremony to the last dance, you were professional and perfect. Choosing the music was a very important process. You put our minds at ease from the very beginning. We really appreciate your talent and your willingness to "go the extra mile." You really out-did yourself! Mark, you are the best. Thank you for making our wedding a success!

Love,

Carrie & Peter Campbell, *Director of Catering*, Boston Harbor Hotel

Dear Mark,

What a wonderful job! Ben and I were so happy. Everything from perfect introductions, the music throughout dinner, and totally rocking the house down later in the evening. We had 221 guests at our wedding and I swore all of them have commented to me on how amazing the band was. Your interpretation of each song was amazing and the the entertainer in you knew what to play and when to play it. You weren't too quiet or too loud and your band worked the room beautifully. Thank you again; your thoughtfulness was much appreciated and will not be forgotten.

Love,

Michele Mottola, *Catering Manager*, Copley Plaza Hotel, Boston

Dear Mark,

Thank you so very much for a perfect wedding day. Thank you for being so easy to work with especially with family musicians involved. Our wedding certainly ended perfectly with everyone on the dance floor. This was our dream come true. It is so amazing when everything comes together. The music always fit the mood of the celebration and our family loves to celebrate. We sincerely thank you for everything.

Best Wishes,

Stephanie Hass, *Catering Manager*, Charles Hotel, Cambridge

Dear Mark,

What can we say? You and your band were simply amazing at our July 5th wedding. Our guests are still talking about the Mark Greel Band and they tell us you're one of the best bands they've ever heard and we agree! Thank you as well for playing the Trumpet Voluntary for our ceremony, it was perfect. We hope to see you again soon to thank you personally.

With sincere thanks and lots of love,

Tips on the selection of music for your event....

If you wish you may review the song list and highlight some of your favorites. This is not required, however many clients prefer to do this as a means of informing us of your general tastes in music and an idea of your specific audience requirements.

If you wish to pass on this option, rest assured I will be reading your crowd as the performance goes along and making the best choices for each particular moment of your reception. I feel it is of the greatest importance to select the “right song at the right time”.

I have more than 25 years experience as a bandleader and can instantly recognize what each event’s needs are and I’m sensitive to the “vibe” of every audience for whom I perform. I never proceed to the bandstand with a preconceived set of songs to play. I believe we must remain watchful of each moment and flexible to change on a dime if needed. Therefore I always call the tunes as I go along from song to song. I also feel this gives your reception a pacing and variety that is never exactly duplicated from one function to the next.

You will also notice on page 2 of your “bridal line up sheet” that there is a space provided for your specific song requests. I call these the “must haves”. Here you may pick a few songs from our list that you definitely want to have performed.

Our song list represents only a portion of all the dance music I have performed in my career so far. If there is a song you are interested in but don’t see on the list then just give me a call or a quick email and I will let you know if we play them already. The song list is provided to let you know that we perform a wide variety of music from many different styles. This has long been one of our trademarks.

Last but not least, we work very hard on arrangements, orchestration and rehearsals of our songs to best showcase our sound, versatility and most of all crowd appeal. I prefer to draw from the bulk of those selections so that we may present our songs with the highest possible standards.

I hope you find this helpful with your planning. Feel free to contact me with any further questions you may have.

Warm regards,
Mark Greel
