*“One thing you’ll learn about me is that I am **obsessed** with creating community!”*

My name is **Sydney Marie** & I am a destination wedding photographer based in Orlando, Florida. As a wedding photographer, my mission is to document your day & always serve my couples to the best of my ability. I am **OBSESSED** with experiencing **community** during the wedding day. We will not only create beautiful photographs together on your day, but we will build long-lasting **memories** & **relationships** during the process.”

What I'm all about!

ORDER OF IMPORTANCE

SEC 01 - THE THREE C's

NO. 1 COMMUNICATION!

I seriously LOVE having speedy communication with my clients. Planning a wedding is BIG DEAL! And I truly value my client's time & do everything I can to make the process much smoother.

NO. 2 CREATIVITY!

Another thing I love is getting creative with my clients on the wedding day & during the engagement session! My desire is to create images that truly reflect who you guys are as a couple!

NO. 3 CLIENT CARE!

I only take on a number of weddings each year so that my attention can be dedicated to each one of my clients. With this, I create a photo timeline for each wedding to maximize our time on the wedding day.

SEC 02 - THREE RANDOM FACTS ABOUT ME!

NO. 1 I love Rifle Paper Co.

My ultimate inspiration for business & photography! Rifle is my favorite brand out there!

NO. 2 I love podcasts.

*I am SUCH a podcast girl. My favorites right now: **Impact Theory** with Tom Bilyeo & **My Favorite Murder***

NO. 3 I love DANCING!

You can always find me at DanceTrance (a local hip-hop workout class) on weekday nights, friends!
