Fitting Tribute Funeral Services, LLC, is owned by NY Funeral Director Amy Cunningham.
1283 Coney Island Avenue, Brooklyn, NY 11230

GENERAL PRICE LIST

These prices are effective as of March 1, 2022, and are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our services. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral services and merchandise you selected.

This list may not include prices for certain items that you select, such as cemetery charges or crematory services, flowers and newspaper notices. The estimated or final prices for those items will be shown on the itemized statement describing the funeral services in buying certain items.

Your authorization is required for a funeral home to obtain custody of a body, and a body must be released promptly upon your request.

The provider of funeral services is required to give price information in person and over the telephone.

A provider of funeral services is prohibited from representing that the deterioration of human remains can be prevented for more than a limited time by embalming, casket, vaults or outer interment receptacles.

PLEASE NOTE: This establishment is one of a select number of funeral homes who meet the criteria for providing green funeral service by the Green Burial Council—a tax exempt, nonprofit organization working to encourage environmental sustainability in the field of funeral service. These offerings allow for a funeral to take place without the use of toxic or non-biodegradable materials/chemicals. Caskets and shrouds are made available to enclose and transport the dead. Body preparation suitable for a green funeral service accommodated by this funeral home consists of the use of topical sprays/compounds, or arterial embalming with essential oils. Home wakes, public visitations, church and synagogue funerals as well as graveside services are options that may be arranged within the time frame that a green funeral allows.
