Translation:

(The title of) Aminata Moseka means an islamic name, Abbey Lincoln. This work (of CD) is a collection of Abbey Lincoln' songs as the subtitle shows An Abbey Lincoln Tribute. And it is Virginia Schenck that sings songs of the collection. She is a jazz singer, comes from Atlanta, and made this collection with Kevin Bales who is from the same district(home land) Atlanta. The 8th song Caged Bird, words by Maya Angelou, who was a black activist. The poetry reading of her poem and Abbey's song that is the same title, Caged Bird was played by waltz time repeatedly, which is an interesting idea. Blue Monk, words(poem)of which were made by Abbey was a desirable work.
