One Leaf Farm Member Agreement 2015

Section 1. Introducing Our CSA Farm

We, One Leaf Farm, wish to provide you with fresh, local, seasonal food and you, the member, wish to receive a portion of our harvest. This agreement outlines our shared commitments to that relationship.

A. Becoming a Part of Our Farm

Community Supported Agriculture (CSA) is a relationship between our farm and you as our customer. Rather than simply purchasing food, our customers become “members” of this CSA farm who receive a portion of the farm’s harvest.

Our CSA runs for 24 weeks, from June to November. Members are responsible for showing up at pick-up site each week to pick up their share of freshly harvested produce. Depending on the time of year, a share will generally contain 7-10 items.

The items will be chosen by the farm based on what is ready to be harvested, with variety and menu planning in mind. Detailed information regarding pick-up is discussed below in Section 3.

B. Our Growing Practices

We adhere to the strictest principles of organic growing, however we choose not to be Certified Organic. We do this by caring for the health of our soil, using ecological pest management techniques, making efficient use of water for irrigation, and proper planning of crops that suit our regions climate

Section 2. Our Shared Commitments

A. Sharing in the Risk of Crop Failure

We promise to do our best to provide you with a bountiful share each week. The quantity of produce, however, may vary from week to week due to extreme weather, insects, or other production factors. By signing up for One Leaf Farm’s CSA, you are agreeing to share the risk of crop failure with us and other members. We grow a wide variety of vegetables, if our spring season doesn’t provide us with a bountiful harvest, members will receive more quantity and variety later in the season.

B. Sharing in the Reward of Crop Surplus

In addition to our CSA, our farm sells to farmers markets and restaurants. Although production is not segregated, our CSA receives priority. After filling our CSA share with the week’s harvest first, the remainder is sold to our other markets.

Section 3. Picking Up Shares

Pick-up procedure is site specific. Some of our CSA depots are private residences, and we wish to keep their information private and not posted on our website. We will provide you with

One Leaf Farm Member Agreement 2015

the exact location of depot, exact time of pick-up, along with any other site-specific information (i.e. parking) before the first CSA distribution.

Once the season begins weekly distributions will be held on **Tuesday**, and vegetables will be ready for pick up in the **afternoon**.

Please observe our drop site rules:

1. Please bring your own bag and leave the box. If you do take the box, keep it in good shape and return it when you pick up the next week's produce.
2. Pick up your share within the timeframe stated in the site-specific procedure information.
3. Sign for your produce. There will be a clipboard at pick-up location that will have a spreadsheet with your name and the date. Please make a mark in the corresponding box. This sign-off sheet helps the site host figure out who hasn't picked up their share, it is a reminder for bi-weekly share members, and it's especially helpful for when a friend is picking-up your share.
4. If you're going to miss a distribution, you can:
 - a) Have a friend pick it up for you or pass it on to someone else, just be sure to let them know how and when.
 - b) Skip a week, notify us 24-hours before delivery day so that we don't waste the produce.

Unclaimed produce will go to the site host, or to the food bank.

If you wish to change your drop site, you must email oneleaffarm@gmail.com one week in advance.

We take the safety of your food seriously. The produce is rinsed in potable water and refrigerated at 32°. For your added protection, wash all produce before consuming.

Section 4. Member Fees

By selling membership in advance of the growing season, CSA reduces the burden of up-front costs for the farmer. Your membership fees provide us with money to purchase seed, growing supplies, and equipment before the season starts, and we appreciate your commitment.

You can choose to make your payment in full or in two equal installments. Details on payment amount and deadline are stated on our website and on our Membership Agreement. *All payments are non-refundable.*

Section 5. Communicating with Us

The best way to communicate with us is via email. Our email is oneleaffarm@gmail.com, please contact anytime.

Please contact us with any news of the following: changes to your postal or email address, changes to your drop-site location, problems with your drop-site, or dissatisfaction with your share.

One Leaf Farm Member Agreement 2015

We will communicate with you by email. When you sign up, you will be added to our distribution list. Please read your email from us. We depend on being able to communicate important information such as necessary changes to your distribution schedule or to our farm events. Every week we will email a newsletter giving you information about the produce in that weeks share, recipe ideas, and farm related news.

By signing this agreement, I agree to purchase the membership share indicated in Section 4. I understand that, although unlikely, the farm may change parts of this agreement related to production and distribution from time to time. I understand that they will contact me via email in advance of any changes to this agreement.
