<p>Keith Redford Actor – portrays Orin Porter Rockwell I saw him at a Sanpete Valley chapter meeting. He did a good job. I spoke with him and his wife. They both said they are willing to travel about anywhere. He did not actually portray Rockwell at the chapter meeting, but talked about Rockwell, and had props to show. Redford and his wife are in the business of portraying Rockwell as a dinner show event, so they are interested in promoting their business. However, the promoting was done very softly.
