

ANNA RICHARD

PROFILE

I'm a graphic designer and recent Kent State graduate. I have workplace experience and an understanding of customer service. My interests are in type and information design, but I'm eager to learn from any opportunity.

EDUCATION

Kent State University
Bachelors of Fine Arts in Visual Communication Design
Class of 2017 GPA 3.75

EXPERIENCE

Google

05/17–8/17 Type Designer for Cutive Mono

- Analyzed letterforms to improve the craft while maintaining personality
- Expanded character set to support a variety of languages and created a family of five weights to match
- Designed a companion italic typeface family to match the roman
- Managed contracts, invoicing, and payment to a team of subcontractors

designRoom

06/17–8/17 Intern

- Assisted with brand assessments by analyzing brand identities
- Designed brand materials, websites, and icon sets for clients
- Created social media graphics to increase brand awareness

Kent State University Division of Student Affairs
