

City of Stoughton
Office of the City Clerk / Personnel Director

April 23, 2014

Dear Property Owner:

A street improvement project is scheduled for your area this construction season. Under city ordinances, the property owner is assessed 50% of the costs for sidewalks, and replacement of curb and gutter. Property owners are assessed 100% of costs for driveways, driveway aprons, retaining walls (portion up to four feet) and carriage sidewalks. A preliminary assessment is prepared using engineering estimates. Once the work has been completed and actual costs are available, you will be sent a final assessment representing your portion of actual costs. The final cost should not exceed your preliminary estimate unless additional work is approved by you, the owner.

Your preliminary assessment for parcel # is \$. **This is not an invoice.** Please do not send payment for the project until you receive a final bill. The work scheduled to be completed is estimated as follows:

Curb & Gutter Preliminary Cost Estimate
Driveway Apron Preliminary Cost Estimate
Sidewalk Preliminary Cost Estimate

Total Preliminary Cost

Accompanying this letter is a copy of the Resolution that was passed, along with a schedule of assessments in your area. **An invitation to an Open House to discuss this year's project is also included. You are encouraged to attend this Open House to learn more about the project and ask questions related to the project and associated special assessments.**

If you would like to discuss the project further, please contact Rodney Scheel, Director of Planning and Development at (608) 873-6619 or by email at: rjscheel@ci.stoughton.wi.us

Sincerely,
CITY OF STOUGHTON

Maria Hougan
Acting City Clerk
