

The **Recreation Supervisor** is essential as a back up for all positions in the Recreation Department and Youth Center. This is the most efficient configuration for keeping cost down and adequate coverage.

Besides being essential in the collection of over \$50,000 in net revenues, this position handles receptionist, payroll, and deposits. Besides backing up the youth center, the position is an essential staffing component once the new building opens.

The **Parks and Recreation Director** manages the youth center, the swimming pool, new park development, park projects, community connections, recreation programming and administration of the department.

The position raises \$40,000 a year for the youth center and park development.

The **Youth Center Assistant Manager** works 20 hours a week running the daily activities of the youth center.

The position supervises the AmeriCorps staff and volunteers while attending meetings with Dane County concerning AmeriCorps.
