Bartender License- Agent for Pick N Save

I've reviewed the Alcohol Beverage License Application for Agent of Pick N Save for **David D. Berndt** and determined that there are no violations meeting the City of Stoughton's Operator's License Review Policy.

Disabled Parking Request at 212 S Water Street

The City received a request from a resident at 212 S Water Street for a Handicapped/Physically Disabled Parking stall directly in front of 212 S Water Street. There are two stalls directly across the street from the residence/business (see photograph). I spoke to Street Department Foreman and was advised this would cause problems for regular maintenance of road and would object to the stall in this location when there are immediate stalls accessible within a reasonable distance. Considering the above, I agree that there are already stalls immediately accessible.

White circles show two parking stalls & on right is 212 S Water Street.

Sincerely,

Pat Conlin, Acting Chief of Police
