### **Providing Wisconsin Department of Transportation comments on the current alternatives being considered as part of the USH 51 Corridor Study Environmental Assessment**

Planning Director Scheel explained the three alternatives being presented by the WI DOT to the Public Safety Committee. He noted that the best option to adhere to would be Alternative H. This alternative would offer the most citizen benefit at a lowered cost. He also included several citizen comments involving that the DOT consider enhancing citizen crosswalks and potential park n rides to add to the existing plan of alternative H. Committee discussion pertained to bike safety and pedestrian safety on US Highway 51.

Motion by Swadley, to recommend approval to the Council with the additions to alternative H, second by Hirsch. Motion carried.

### **Future agenda items:**

-Pedestrian Safety

### **Adjournment**

Motion by Swadley, to adjourn the meeting of the Public Safety Committee, second by Engelberger. Motion carried 4-0. The meeting of the Public Safety Committee adjourned at 5:56 p.m.
