Parent / Caregiver Grievance Procedures

As a parent it is your right to use the Grievance Procedure, but we ask that you observe the following responsibilities if using the Grievance Procedure:

- Negotiate an appropriate time to meet with the staff member and Director.
- Please do not approach families or other children about any issue that you have not mentioned to the staff or director.
- Only discuss information relevant to your child.
- Seek to resolve it in a way that respects the needs of those involved.
- Keep information discussed at the meeting confidential.

A good relationship between home and preschool give our children a better chance of success. This policy provides information about avenues of communication, which strengthen the partnership between family and preschool. These are the steps to follow in the event of a concern:

Concerns or complaints: A person can raise a concern or complaint if they think that the preschool staff member has done something wrong, if there are concerns about another child's behavior, or if there is another preschool-related issue.

Process for raising concern or complaint

- All concerns should be raised directly to the Director first.
- If there is a grievance it needs to be in writing and signed, then brought to the Director.
- If you are not satisfied with the Director's resolution, you may submit your written, signed complaint to the W.C.C.C Board, as described below.

The Board: The Wesleyan Child Care Center Board exercises oversight for the WCCC. It comprises the senior pastor of FUMC Crestview, 4 elected lay members of FUMC Crestview, a teacher representative, and a parent representative.

- If you would like to submit a grievance to the board, please bring your written complaint to our Pastoral Assistant at the First United Methodist Church of Crestview.
- The senior pastor will review your complaint and decide whether to refer it to the W.C.C.C Board.
- If the pastor refers your complaint, three or more members of the board will convene to interview all relevant parties in the complaint and to decide what action, if any, is necessary.
