If you are interested in receiving text alerts, L-S School District has an account with Newton Daily News that you can use. You may receive a few texts that are related to L-S only, but for the weather related information, it will be accurate as SCS follows what L-S school does for school closings and delays. Follow the link below to sign up by choosing L-S School District. If you just want to sign up for School Closings and Notices, you just choose this option only. You may sign up for other alerts as shown by checking the applicable boxes.

•**Dress warm!** The cold temperatures last week bring a reminder to parents to please provide warm clothing for your children. Students are required to go outside for recess if the 'feels like' temperature is 10 degrees or above. Students will have to stay on the cement unless they have **boots** to play in the snow. It is also good for them to have **snow gloves and pants** and maybe an **extra pair of socks**.

The Food and Fun Night committee is accepting donations of ground beef and pies. To donate, please contact Roger Jansen at 641-660-6619.
