Please submit 3 images of your current work. Images should be a minimum 4"x6" but no larger than 8"x10." As businesses will view these photos when selecting the artist to decorate their boots, it is imperative to submit clear, high-quality images.

The boot sculptures weigh approximately 80 pounds and will fit in the back of a pickup truck. Watermen's Way will provide space for you to work on the boots, but you may move them to your studio if you prefer. Please note, however, transportation to and from your studio will be your responsibility.

Please specify studio preference:

_____ I prefer to work on the project in my own studio.

_____ I prefer to use the space provided by the Watermen's Way.

Please return this application along with preliminary sketch, resume' and photos to:
