NO SCHOOL - CORONAVIRUS (COVID 19) UPDATE

March 15, 2020

Dear Sejong Families,

To help stop the spread of the coronavirus, Governor Walz announced the state-wide closing of all K-12 public schools from Wednesday, March 18, through Friday, March 27. This means that Sejong students will NOT return from spring break on March 23, and school will reopen on Monday March 30.

We are working on how we may continue to deliver school services during the closure and how we will implement social-distancing (reducing close contact) and other safety measures for when school reopens on Monday, March 30.

The situation in Minnesota is changing daily. We will keep families informed as we receive information. Please stay tuned to updates on Schoology and our website.

Thank you,

Brad Tipka, Executive Director
