

# Huachuca City Animal Control

## Cat Care Program

Thank you for your interest in volunteering at our shelter! We are offering a few programs to the public so that they may contribute to us and our animals. One of them is the Cat Care Program. This program is designed to promote the health, well being and socialization of our cats through regular human interaction and exercise. We have found that this helps to break the constant kennel boredom and keep our animals happier.

You can be this person! This program is flexible with work schedules. You may come in during our business hours and interact with our cats whenever you like. For our regular program, we ask you commit at least four (4) hours per month towards volunteering. For our part-time program, we ask you commit at least two (2) hours per month towards volunteering. The program is for adults only. You may choose any adoptable cat that you want to work with. You may take them out of the kennel, sit with them, play with them or even groom them (washing, brushing, and/or nail trim).

If this sounds like a program you are interested in, please fill out the following information, and one of the shelter staff will be in touch with you within a week via email. Thank you!
